## **TRUSTEES REPORT**

We are happy to announce another great year that the charity continues to keep its focus on the founding guidelines. The trustee's passion and commitment shine forth although faced with various challenges. Our objectives remain in focus as we aim to maintain ways of our we can impact people locally and through international connections. With the sad loss of some long standing attendee's others have gradually joined in carrying out the charity objectives. We have welcomed ideas of methods in reaching out to help our local community and many of our associates in other parts of the world. The results of our ongoing efforts are echoed by those who received our support.

Having our base at the heart of many desperate people in the West Midlands there is a demand for taking care of the poor and developing our feeding scheme. We have been seeing a growth in our weekly attendance and hope to see this continue as in the previous year. It is a huge blessing to also see the involvement of some of our older returning church members serving alongside the trustees. We continue to reach out and assist our new work in South Africa which is still growing steadily.

Funds are important to enable us to do much among very needy people and once again we are grateful to The Catholic Apostolic Trust who help much with the upkeep of this place of worship.

We are happy to announce that we were able to help and support the very poor and destitute people as various factors affect the lives of people everywhere. Our desire is to continue as God would have us and move forward fulfilling our given task. We desire to continue to impact our communities locally and to also support our partners abroad which is our biblical obligation. Our plans now and in the future are to continue being a blessing to all people in keeping with the Charity's core values and vision and purpose which coincides with The Great Commission of Our Lord and Saviour Jesus Christ. Thank you and God bless!

Yours in Christ,

Rev. Brian Kuppan
