Structure, governance and management

The Reivers District Scout Council is a registered charity constituted under the rules of the Scout Association whose governing documents consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

The District is a trust established under the rules which are common to all Scouts. The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

The District is managed by the Trustee Board, the members of which are 'Charity Trustees' of the Scout District which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping of proper accounts and making returns to the Charity Commission as appropriate.

The Trustee Board consists of three Officers of the District Scout Council (Chair and Treasurer) together with the District Lead Volunteer, key members of the District Team and others elected or nominated at the Annual General Meeting of the District Trustee Board. The committee meets 4 times a year plus an Annual General Meeting and is responsible for the strategic direction, policy development, the admission of adult members and the financial viability of the Charity.

Reivers District Scout Council

Trustees' Annual Report *(continued)*

Year ended 31 March 2025

Structure, governance and management *(continued)*

Members of the Trustee Board complete 'Essential Information for Executive Committee Members' training within the first 5 months of joining the committee.

Risk Management

The trustees have examined the major strategic, business and operational risks which the charity faces and have systems to enable regular report and review of its activities to manage and lessen these risks.

Objectives and activities

The purpose of Scouting

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

The Values of Scouting

As Scouts we are guided by these values:

Integrity —We act with integrity; we are honest, trustworthy and loyal.

Respect —We have self-respect and respect for others.

Care —We support others and take care of the world in which we live.

Belief —We explore our faiths, beliefs and attitudes.

Co-operation —We make a positive difference; we co-operate with others and make friends.

The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

Enjoy what they are doing and have fun

Take part in activities indoors and outdoors

Learn by doing

Share in spiritual reflection

Take responsibility and make choices

Undertake new and challenging activities

Make and live by their Promise.

Main Activities

District events

The District Team, led by the District Lead Volunteer, provide a number of activities to supplement those provided locally in the Scout Groups and Explorer Scout Units. These enable young people to experience a wider perspective.

Scout Network

A District network unit which gives youth provision for those aged 18 - 25 years old. This is operated under the District 14-25 Lead.

Reivers District Scout Council

Trustees' Annual Report *(continued)*

Year ended 31 March 2025

Objectives and activities *(continued)*

Explorer Scout Units (ESUs)

ESUs operating within the District fall within the management of the District and the District Trustee Board has overall responsibility for the finance of the ESUs. The ESUs operate separately administered bank accounts which have not previously been included in the District's Annual Report and Accounts.

Whilst the Trustees do not want to become involved in the day to day running of the Explorer Section, it is the responsibility of the District 14-24 Lead to ensure that all Units within the District operate in a prudent manner.

Ratlingate

The District owns and manages the Scout Campsite and associated building at Ratlingate, Kirkandrews-on-Eden, Carlisle to promote outdoor activities for Scouting locally and nationally. It is committed to making the site available to other organizations who have similar aims. The District is exploring ways to enhance the use of the site through improving links to the education fraternity, and have recently invested substantially in the improvement of facilities.

Use of Volunteers

The activities of the Trustee Board rely on the use of volunteers who are appointed by the national appointments process. All leaders are interviewed by a team of their peers and are subject to DBS and Scout HQ checks. All volunteers, including Trustees, are inducted to the organisation and given appropriate training.

Public benefit

The District meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Achievements and performance

Youth Programme

The last year has seen good growth within the district. The District will continue with its recruitment campaign for both young people and adult members in all roles.

Ratlingate Campsite

The Trustees are indebted to the team for the continued development and promotion of the campsite.

The District benefits hugely from the Ratlingate Team's dedication and hard work which means that the site has continued to be a good facility and ready to support local Scouting's activities.

The Ratlingate Management Team has made a significant development of the site's facilities to both improve the offer to Scout users and to attract income. Any persons interested in joining the team should contact them as their time would be invaluable.

The Trustees would also like to thank:

Mr Neil Saunders and Mrs Marion Proudfoot for their continued and regular work onsite.

Fundraising

Whereas every effort is made to encourage events to be self-funding, limited funds are available to the Trustees to use at their discretion.

Reivers District Scout Council

Trustees' Annual Report *(continued)*

Year ended 31 March 2025

Financial review

Reserves Policy

It is the policy of the charity to maintain unrestricted funds at a prudent level consistent with the need to finance ongoing activity and deal with operational fluctuations in day to day cash flow. Designated funds are held to support members of Scouting of the Reivers District for use at the discretion of the District Trustee Board. Restricted funds are held and expended in line with the restrictions placed upon on those funds when received.

Investment Policy

The District has pursued a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies or The Scout Association's Short Term Investment Service.

Principal Funding Sources

The Charity achieves its income from the following sources:

Ratlingate Campsite Fees

The Charity receives income for the use of the district campsite which is applied initially for the ongoing management and maintenance of the site. It is currently the policy of the Trustee Board to designate any annual surpluses to the improvement and development of the site.

Grants from Other Organisations

The Charity seeks and receives grants from other grant giving bodies. During the year, a further donation of £150 was received for Ratlingate from the Carlisle Citadel Welfare Club. As Well as a Grant from the Police and Crime commissioners property fund of £2,500 and £1,000 from Tesco's.

The trustees' annual report was approved on 9 September 2025 and signed on behalf of the board of trustees by:

A D Hanson

Reivers District Scout Council

Independent Examiner's Report to the Trustees of Reivers District Scout Council

Year ended 31 March 2025

I report to the trustees on my examination of the financial statements of Reivers District Scout Council ('the charity') for the year ended 31 March 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Mr RW Gordon, FCA
Independent Examiner

Reivers District Scout Council

Notes to the Financial Statements

Year ended 31 March 2025

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is c/o Cumbria County Scout Council, Stricklandgate House, 92 Stricklandgate, Kendal, LA9 4PU.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Reivers District Scout Council

Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Reivers District Scout Council

Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Plant and machinery - 25% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Reivers District Scout Council

Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

Reivers District Scout Council

Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

3. Accounting policies *(continued)*

Financial instruments *(continued)*

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
