The templates and resources for this are provided by the National Federation of Young Farmers' Clubs and additional information is provided by the county federation of YFCs.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the charity are:

To advance the education of young members of the public at large in agriculture, home crafts, country life and related subjects; and

In the interests of the social welfare of such members of the public to provide, and promote the provision of facilities for recreation and other leisure time occupations, being facilities which will improve their conditions of life and will assist in the development of their spiritual and mental capacities, self-reliance and individual responsibility so that they may grow to full maturity as individuals and members of the community.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Trustees confirm that they have paid due regard to the guidance issued by the Charity Commission on public benefit in deciding what activities the charity should undertake and are clear that the County meets high standards of benefit to members of the public.

The YFC clubs that form the Northumberland Federation of Young Farmers Clubs recruit members from a significant section of the community at large. Everyone aged 10 to 28 year can be a member of a Young Farmers' Club and can participate in activities and discussions that increase their knowledge of agriculture, crafts rural affairs and country life. The county federation actively encourages YFCs in the county to recruit members.

The activities also contribute to and create leisure activities for members and on occasion for the rural community in which the charity operates. The community around the charity benefits from our members being active citizens that contribute to the rural community.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

Each club within the county federation is run by volunteers who then sit on the county executive committee, a smaller number of volunteers sit on the finance and management committee, staffing committee and safeguarding committee. In total over 100 volunteers help to run the charity on a weekly basis.

Each club plans and executes their own programme of events and include the county organised competitions which then feed through to the next round at either Northern Area or direct to National competitions.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The year 2023 to 2024 started with the Clubs compete in sports – Kwik cricket, volleyball and disco dancing. In February we held the speaking competitions – Junior Public Speaking, Intermediate Brainstrust, Situations Vacant, MACE Debating and Reading. The county Drama competition took place and entertained the audience at the Queens Hall Theatre in Hexham. The Northern Area of Young Farmers annual weekend of competitions saw members compete in 11 competitions. Our members qualified for the finals of the Drama competition and Street Dance for the National Federation of Young Farmers Clubs finals later in the year.

June 2024 was our County Rally with all the members taking part in a wide variety of competitions and the winners representing the County at the Northern Area Field Day hosted Durham YFC or going direct to National finals weekend in early July. The County Rally was hosted by one of the smaller clubs in the county and the team work of the current, past members, parents and friends of the club was evident in a well run and organised event.

In the Autumn the federation partnered up with the NFU North East, Northumbria Police, Fire Service and security companies to provide a Crime Prevention Workshop at Hexham Auction Mart.

The county competitions calendar came to an end in September with the Quoits competitions. The final National competitions was also held this month and three members took part in the Floral Art at Malvern Show, two had never been before.

In October the new voluntary office bearers attended a training evening in a local Village Hall. They learnt about event budgeting, safeguarding, club programme building, social media and advertising. The new office bearers also met other members from around the county where life long friendships are formed.

The County Rally managed to donate a large sum to County. At the County Show the Stockman's Bar run by the federation was another successful fundraiser.

Throughout the year Clubs have continued their Charity work either by holding Charity auctions or doing things 'in kind' for their local communities. A total of over £33,500 was raised and donated by members.

We ended the year with a membership of 609 which is fantastic and will enable us to have two teams going forward to the next rounds of the competitions.

Section E

Financial review

The charity's policy on reserves is to generate and maintain a reserve which will allow sufficient funds to:

- to permit the Charity, in the interests of meeting its charitable objectives, to from time to time establish a new and innovative project on a project

basis to demonstrate the feasibility of such activities as a test to maintaining such projects on an on-going basis.

For these purposes the Charity will endeavour to maintain reserves carried forward in unrestricted funds to meet the running cost of the charity and any unforeseen expenditure that may occur.
