MANTON COLLIERY ATHLETIC CLUB AND INSTITUTE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their report along with the financial statements of the charity for the year ended 31 March 2024. The financial statements have been prepared in accordance with the accounting policies set out in Note 1 to the accounts which can be found on page 8 and comply with the charity's trust deed, applicable law and the Charities SORP FRS 102.

Constitution, Objectives and Activities for the Public Benefit

The charity is constituted by a Scheme dated 29 June 2006 and was registered on 21 May 1963 under the number 522249.

Its objective is to provide an institute and recreational facilities for the benefit of the inhabitants of Manton, particularly (but not exclusively) those who are members of the mining community.

The trustees have referred to the guidance given by the Charity Commission on public benefit when reviewing the charity's aims and objectives and details of the activities that have taken place during the year can be found later in this report.

Organisational Structure

The trustees who have served the charity during the year are shown on page 1.

The charity is responsible for maintaining the premises and its contents and grounds in a suitable state of repair for use by those who live in the surrounding area. It raises income through various charitable activities, the main one being the hiring out of its facilities to the general public, but a substantial amount of its income comes from its connected trading company, Manton Colliery Sports & Social Club Limited, which pays an annual occupational licence fee to the charity in order to run its business from the charity's premises. In addition to this, the company also transfers any profits it makes to the charity under a Gift Aid agreement so the trustees work closely with the company's directors to try and ensure the company is profitable, thus ensuring extra income for the charity.

Trustee vacancies are advertised and interested parties are asked to apply in writing. Interviews will be held and suitable candidates are then notified to their nominating body being either CISWO, Trade Union or members. The trustee board is made up of equal numbers of each nominating body.

Financial Review

The charity showed a deficit of £27,022 for the year from the day to day running of the institute. High depreciation charges have once again contributed to this deficit as the large scale grants from a number of years ago are slowly written down. At first glance, this result appears worse than the previous year but a large amount of income from historic VAT recovery inflated last year's result somewhat. The investment markets performed much better this year resulting in investment gains of £22,051 for the year (as opposed to just £2,916 in the previous year) and this has improved the overall result substantially. The trustees will continue to look for ways to increase income for the charity, particularly from its sporting facilities, but will also continue to work with the directors of the trading company to assist them in their goal to return the company to profitability which will, in turn, benefit the charity.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024 (CONTINUED)

Review of Activities

The charitable activities on the site are still as popular as ever with over 20 junior and 5 senior teams regularly using the site. The coaching teams (all volunteers) put on weekly training sessions and, weather permitting, will put on soccer camps through the school holiday periods.

The site is routinely over-subscribed and the deterioration in the quality of the pitches after extreme rain sadly leads to many matches being postponed or cancelled altogether. The long term wish is to pursue a 4g pitch and the two resident teams, FC Manton and SJR Juniors, are both keen to develop the site. As a result, the trustees have recently been in touch with the Sheffield FA to begin discussions about the potential for the site to achieve the necessary funding from the Football Foundation.

Changing the trading name of the venue to "Manton Sports" a couple of years ago has attracted new people to the site and the Sports co-ordinator works strenuously to provide sporting facilities and coaching to numerous sports clubs. Sheffield United Ladies and Worksop Town Juniors are amongst many prestigious clubs that have been attracted to the site due to the outstanding facilities on offer.

The Lync Active partnership is still ongoing and the boxing club / gym is proving very popular and works very well with a large number of vulnerable youngsters in the area. Summer Camps are also put on by staff to encourage disadvantaged children to get out in the fresh air and engage in sporting activities.

The Trust holds many smaller family parties, local community groups, dancing classes and weekly tea dances. Events are held throughout the year to attract the younger element with Halloween and Christmas proving particularly popular.

The trustees host a number of parties and outings for members throughout the year, provide a semi-professional touring pantomime for the members' children and grandchildren at Christmas and organise an annual day trip to the coast. Celebrations of most major festivals are held and are fully supported and enjoyed by the members.

The Trustees aim to provide a first class facility for the local population to enjoy and fully utilise and are constantly looking at opportunities to improve the programme on offer and to ensure the building is in good condition.

A considerable investment has been made to improve the main function room and to develop the old bowling green into a play area to promote family usage of the facilities. There have been considerable internal alterations to move the snooker and pool rooms which has allowed for the provision of a second function / meeting room. This has allowed more private functions and business events to be held.

A coffee machine providing bistro style coffee is proving a popular addition and further diversifies the trust away from the traditional but dwindling membership that used to enjoy the facility.

The Trustees recognise the importance of attracting new members and new business to the charity to maintain the entity in the best possible condition.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024 (CONTINUED)

Investment Policy

The trustees have placed excess funds with Investment Managers in managed funds in order to provide additional income for the charity in the longer term. In addition some of the charity's liquid assets have been placed in interest bearing bank accounts, thus providing a small amount of income for the charity in the form of interest received whilst keeping the monies readily available should they be required.

Reserves Policy

It is the policy of the trustees to maintain unrestricted funds which are the free reserves of the charity at a level to provide sufficient funds to cover anticipated administration and support costs for a period of twelve months. Any additional reserves are held to provide a capital fund for repairs that will be required for the upkeep of the premises.

Risk Management

The trustees are aware of the operational and financial risks which the charity faces and regularly review those risks to mitigate against any impact that may have on the charity. The major risks facing the charity are the continued success of the social club from which it derives its main funding, the support of individuals and the community in using the facilities and the introduction of the younger generation to provide for the future. The Trustees work closely with the directors and members to address these risks.

Statement of Trustees Responsibilities

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity and of the incoming resources and application of resources for the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
MANTON COLLIERY ATHLETIC CLUB AND INSTITUTE**

I report to the Trustees on my examination of the accounts of the above named charity (registered no. 522249) for the year ended 31 March 2024 which are set out on pages 6 to 10.

Responsibilities and basis of report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Act).

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a "true and fair view" which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

4 December 2024

MANTON COLLIERY ATHLETIC CLUB AND INSTITUTE

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2024

1. ACCOUNTING POLICIES

(a) Basis of preparation and assessment of going concern

The financial statements have been prepared under the historical cost convention unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (FRS 102) and the Financial Reporting Standard (FRS 102) and the Charities Act 2011.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The trustees have a reasonable expectation that the charity has adequate reserves to continue in operational existence for the foreseeable future. Accordingly, the trustees continue to adopt the going concern basis in the preparation of the accounts.

(b) Income Recognition

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when they are received.

(c) Expenditure Recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

(d) Depreciation

Depreciation is provided on all assets other than freehold land and aims to write off the costs of the assets over their estimated useful life. The rates and methods applied are as follows:-

Land and Club Buildings	Not depreciated
Refurbishment and Changing Rooms	2% Straight Line
Multi Use Games Area	20% Straight Line
Fixtures, Fittings and Equipment	15% Reducing balance
