## **REPORT OF THE TRUSTEE FOR THE YEAR ENDED 31ST MARCH 2025**

The trustees present their annual report and financial statements of the charity for the year ended 31st March 2025. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

### **OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT**

Harvey Hadden Stadium Trust is a charity of which the Council is sole trustee and is responsible for the general control and management of the charity. These responsibilities are delegated to the Trusts and Charities Committee by full Council. The Trusts and Charities Committee give their time freely and receive no remuneration or other financial benefits.

Under the court order there is a requirement for "the Corporation" – now Nottingham City Council – to maintain the stadium built with those funds, "under the name of Harvey Hadden Stadium in good order and condition in perpetuity for the purposes of public recreation".

#### **Objective**

The primary objective of the charity is to provide public sports and recreation for the people of the City of Nottingham forever. To achieve this, a programme of ongoing maintenance of the ground and related infrastructure is completed each year. This ensures the provision of well maintained, good quality public recreation facilities. The Trustee confirms that it has referred to the Charity Commission guidance on public benefit when reviewing the aims and objectives and when setting plans for the future. There are fees charged and booking arrangements in place for the use of the athletic track and sports facilities.

## **ACHIEVEMENTS AND PERFORMANCE**

Harvey Hadden Stadium was built in the late 1950's with money left in a trust by the late Harvey Hadden. The stadium originally had a 479m cycling velodrome and a seven lane synthetic athletics track. With easy access for both disabled and able-bodied customers and only a couple of miles from the M1 motorway the stadium is a well used and popular venue.

### **Participation Summary**

During 2024/25 Harvey Hadden Stadium was used by athletic clubs and various schools offering a good range of quality activities throughout the year, which has included track, high jump, long jump, discus, javelin, shot put, winter and summer pitch facilities for football. 40 events have been hosted at the Harvey Hadden Stadium in which we received various feedback for these stating they were happy with the facilities and support provided to ensure their event ran smoothly.

### **Club Use**

During 2024/25 the Harvey Hadden Stadium has mainly been used by Notts Athletic Club and Absolute Tri Club for weekly training. Notts Athletic Club is a well-established athletics club based at the stadium running adult and junior sessions. They train five evenings per week, Saturday morning, and some Sunday mornings. Absolute Tri Club train with their junior members on Wednesday evenings. Bilborough Town Football Club also use the stadium for League matches, approximately 25 games per year.

### **School Use**

Local schools made a considerable amount of bookings in 2024/25 for sports days, sport-training activities like running, high jump, long jump, relay etc. GCSE moderation sessions and varsities. Many schools return yearly.

### **Events**

The total number of event number this year has been 31 (including 21 schools sports days) with over 300 club training sessions.

## **FINANCIAL REVIEW**

The Council provides grant monies to finance the annual operating deficit of the trust. In 2024/25 this amounted to £91,235 (2023/24 £117,100) which is a decrease of £25,865 compared to the previous financial year. This grant supports the key objectives of the Trust. This includes a provision for accrued grant income in relation to the independent examiners' fee of £1,575 (2023/24 £1,500)

All transactions relating to Harvey Hadden are subject to the same financial regulations and procedures as those relating to land and property held by the Council. Since May 2011 the Trusts and Charities Committee has replaced the Executive Board for the purpose of approving transactions.

### **Policy on Reserves**

The Council is a key partner in delivering the objectives of the Trust and has shown a continued commitment to meet any net expenditure in the year. It is therefore not felt appropriate for the Trust to hold reserves.

### **Risk Management**

The Harvey Hadden Stadium Trust adopts the Council's risk management policy as appropriate.

The following statement best sums up the purpose of risk management:

*"To ensure that the Council is not risk averse and takes or faces risks knowingly and manages them appropriately."*

The Trustee is committed to a programme of risk management to protect the charity's assets. A risk register is held which identifies the keys risks and the measures in place to mitigate such risks. Procedures are also in place to ensure that appropriate advice and support is provided to Trusts and Charities Committee as and when required.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

On 18<sup>th</sup> July 1955 the court made a scheme and order for an athletics stadium to be erected out of the bequest of Harvey Hadden. Under the terms of the scheme Nottingham City Council was stated to be the owner of Bilborough Park and used its statutory powers to set aside part of the land for use as a stadium. Construction of the stadium began in 1955 with completion in 1960/61. The entire legacy of Harvey Hadden funded part of the cost of construction. Therefore it follows that the land on which the stadium is built is subject to the Council's obligation to make it available for the use of the stadium charity.

Under the court order there is a requirement for "the Corporation" – now Nottingham City Council – to maintain the stadium built with those funds, "under the name of Harvey Hadden Stadium in good order and condition in perpetuity for the purposes of public recreation".

### **Objectives of Charity:**

To ensure the provision of public sport and recreation, for the people of the City of Nottingham and visitors to the city forever.

In order to achieve this, a programme of on-going grounds maintenance and related infrastructure improvements are completed each year. This ensures that the sport and recreation provision is well maintained and provides good quality public recreation facilities.

## **RESPONSIBILITIES OF THE TRUSTEE**

The Charity Commission has introduced a new framework for accounting for charities to meet the need for public accountability for the resources held by charities. It is a combination of legislation and best practice.

The legal requirements are contained in the Charities Act 2011 which came into effect on 14 March 2012.

The accounting and reporting requirements are complemented by a revised Statements of Recommended Practice: Accounting by Charities (the Charities SORP) issued in 2005.

The Trustee is required:

- to make arrangements for the proper administration of the charity's financial affairs;
- to prepare the annual report and financial statements for each financial year to present a true and fair view of the charity's state of affairs as at the end of the financial year and of its incoming resources and its application for resources in that year.

In preparing these statements the trustee has ensured:

- suitable accounting policies have been selected and applied consistently;
- judgements and estimates have been made that were reasonable and prudent;
- the relevant legal requirements and recommended practices have been followed;
- they are prepared on the basis that the Harvey Hadden Stadium is a going concern.

The Trustee is responsible for ensuring that proper accounting records are kept which are up to date and for maintaining a satisfactory system of control over the charity's accounts and transactions.

The Trustee is also responsible for ensuring that arrangements are made to safeguard the assets of the charity and reasonable steps are taken for the prevention and detection of fraud and other irregularities.

The Trustee must take any steps that they ought to have taken in order to make themselves aware of any relevant independent examination information and to establish that the charity's independent examiners are aware of any such information.

As far as the Trustee is aware there is no relevant independent examination information about which the Harvey Hadden Stadium independent examiners are unaware.

## **NOTES TO THE FINANCIAL STATEMENTS**

### **1. ACCOUNTING POLICIES**

#### **General Principles**

The Annual Report summarises the Harvey Hadden Stadium transactions for 2024/25 financial year together with its financial position at 31 March 2025.

This section explains the accounting policies applied in producing the Annual Report for the Harvey Hadden Stadium Trust. Accounting policies are the principles, bases, conventions and rules by which transactions are recognised, measured and presented in the accounts.

#### **Basis of preparation and assessment of going concern**

The Annual Report has been prepared in accordance with Statement of Recommended Practice: Accounting and Reporting preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 and Charities Act 2011. The accounts have been prepared in accordance with the historic cost basis of accounting except for fixed assets which have been included at notional amount.

Compliance with the Charities SORP and the adoption of accounting standards and principles issued or adopted by the Accounting Standards Board ensures that the accounts show "a true and fair view" of transactions during the year and the financial position of the Harvey Hadden Stadium Trust at the year end.

The trustee consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

The trust constitutes a public benefit entity as defined by FRS102.

#### **Incoming Resources**

Income receipts are accrued and accounted for in the period to which they relate. Income received in advance is recognised as a liability on the balance sheet within creditors.

Income from Nottingham City Council funds the net expenditure of the Harvey Hadden Stadium Trust for the benefit of the citizens of Nottingham.

#### **Resources Expended**

All expenditure is accrued and accounted for in the period during which they are consumed or received. Accruals have been made for all material sums unpaid at the year end for goods or services received or work completed. Payments made in advance are recognised as an asset on the balance sheet within debtors.

#### Charitable Activities

These costs mainly relate to premises expenses, which includes day to day maintenance, grounds maintenance and patrol.

#### Governance Costs

Governance costs, including the administration of the trust are directly funded by the Council, and these costs are not shown in the trust accounts.

## Fixed Assets

### Freehold land and buildings

The valuation of assets is a notional value that reflects the trusts perpetual covenant for general public access to and use of the stadium.

As a notional value is used, depreciation and impairment reviews are not applicable.

## Accruals of Expenditure and Income

The accounts of the Harvey Hadden Stadium Trust are maintained on an accruals basis. This means that sums due to or from the Harvey Hadden Stadium Trust during the year are included whether or not the cash has actually been received or paid in the year.

Where income and expenditure has been recognised but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the balance sheet. Cash received or paid and not yet recognised as income or expenditure is shown as a creditor (receipt in advance) or debtor (payment in advance) in the balance sheet and the statement of financial activities adjusted accordingly.

Where it is doubtful that a debt will be settled, the balance of debtors is written down and a charge made to the statement of financial activities for the income that might not be collected. This bad debt provision is offset against the debtor balance on the balance sheet.

In many cases the value to be entered in respect of accrued transactions will be certain. In others, this value has to be estimated and reference is then made to past transactions and trends in order to determine the likely value.

## Cash

This is represented by cash at bank which is held within the Council's bank account on behalf of the Harvey Hadden Stadium Trust charity and cash in hand.

## Funds of the Charity

### Unrestricted fund

A fund held on charitable trust for a purpose within the charity's objectives. The fund is equivalent to the notional value of the freehold land and buildings.

## 2. TAX STATUS

Harvey Hadden Stadium is a registered charity and is therefore exempt from income tax on income falling within S505 ICTA 1988. The Council is the sole trustee of the Harvey Hadden Stadium Trust and, in accordance with VAT notice 749, is entitled to recover VAT incurred on the expenditure of the Harvey Hadden Stadium Trust under section 33 of the VAT Act 1994.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:
