Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution
How the charity is constituted (eg. trust, association, company)	Association
Trustee selection methods (eg. appointed by, elected by)	Elected each year at Annual General Meeting

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

--

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The aim of the Association is to develop and build young people's potential and aspirations through our various projects that we deliver throughout Staffordshire. Staffordshire Clubs for Young People (Staffs CYP) are a registered charity that works with young people aged 10 to 19 where we deliver various sports, arts, health and well being, leadership and team building, youth events, competitions and youth work projects. Our work focuses on the personal and social development of young people and the inclusion of communities where there is deprivation and a need for targeted work.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

We currently operate Staffs CYP with a full time Youth Development Officer, and team of youth development officers and volunteers in addition to the voluntary management team that form the Committee. Despite being a relatively small charity we regularly work with over 5000 contacts a year in the Staffordshire area, where we provided youth events, youth clubs/projects, sports sessions and competitions to many young people in some of the most deprived areas of Staffordshire.

Information on our activities and achievements can be found on our website: <https://staffscyp.org.uk/>

Our projects are often heavily subsidised and we feel that money should not be a barrier to access and participation in Staffs CYP projects, so we self -fundraise by holding our own charity fundraising events, we also rely on donations and grant funding both locally and nationally, this is a big part of our work and without funding the work could not continue.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

For Staffordshire Clubs for Young People, 20/21 was a difficult year as it has for most charities due to the COVID pandemic.

For the main part of the year, we did not run and groups of young people had to isolate, this meant that no clubs or projects took place.

We commenced outdoor activities during the holiday periods, where we delivered holiday trips through Staffordshire SPACE. We delivered 2 residential camping weekends and 16 trips to various places including Roaches walking, Bushcraft skills, fishing trips, seaside trips and rock scrambling. We also undertook activities through South West Peaks, including camping trips, cycling days out and other outdoor activities.

During the period we were also delivering outdoor trips with Amity Hub, these are a group of UASR, we delivered various sessions that engaged the young people in a period when they needed support most.

We still kept in contact during the Covid situation with many partners including SCVYS, Amity Hub, Staffordshire County Council and Chartley foundation.

Our key fundraising event was our Curborough Charity Day which took place on August bank holiday Monday. The event is open to cars and motorcycles spanning eight decades – 1900 to 1982 and spectators can see them all in action on the figure of eight route course at Shenstone. All monies raised on the day, including car and spectator entry fees go direct to supporting our youth club activities.

We are ever grateful to the Shenstone & District Car Club for their continued support, and we are thrilled to return to Curborough Sprint Course for the third consecutive year in August 2022.

Further information can be found on our website: <https://staffscyp.org.uk/>

Section E

Financial review

Brief statement of the charity's policy on reserves

It was resolved in July 2008, which continues to remain in place, that the Development Fund hold reserves in order to increase the operational capacity of the Association and for match funding opportunities. This amount will also include staff costs and events and ensure contingency planning for a rolling three year period.

The Committee are committed to look to regularly review this reserve due to the increased operational expenditure as a result of their strategy/ working model.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

In order to ensure that the Association has funding for its annual expenditure for a rolling three year period, periodic large fundraising events are held and other sources of funds, such as external grants, are sought.

The nature of income is, as ever, challenging as a charity, particularly when looking to expand activities resulting in increased costs

Grant funding has been received from several sources during the year.

Particular thanks are owed to:

- The Chartley Foundation for their support of our school holidays activities.
- The Police and Crime Commissioner for various grants targeted at diversionary activities for teenagers
- South West Peaks
- Stafford Borough Council
- Stafford County Council
- Amity Hub

The key fundraising event was a Hill Climb held at Curborough on 30 August 2021, organised by David and Lucy Leigh, together with many volunteers. This was the first year where spectators were welcome to Curborough following COVID.

During the COVID pandemic, our main development worker was furloughed.

Section F Other optional information

INDEPENDENT EXAMINERS REPORT TO THE MEMBERS OF
Staffordshire Association of Clubs for Young People

I report on the annexed accounts for the year ended 31st July 2021 which have been prepared under the accruals basis.

RESPECTIVE RESPONSIBILITIES OF MANAGEMENT COMMITTEE AND EXAMINER

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is required.

It is our responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- follow the procedures laid down in the General Directions given by the Charity Commissioners (under Section 145 (5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

BASIS OF THE INDEPENDENT EXAMINERS REPORT

Our examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required by an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statements below.

INDEPENDENT EXAMINERS STATEMENT

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with Section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Acthave not been met; or
- (2) to which in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Mr William Mottershead
