CAMPING BARN

We are delighted to offer our village hall in Reagill as a camping barn. The kitchen is fully fitted with a new fridge and cooker, microwave and lots of utensils. We can provide airbeds and it is really cosy with two new multi fuel heaters and electric overhead heaters. There is hot water and a new 'power' shower. There are two toilets, one inside, one outside. The accommodation we provide is comfortable and basic.

We are situated in the Eden Valley, 12 miles from Penrith, 3 miles from Shap and 10 miles from Appleby. The nearest food pubs are in Shap, Crosby Ravensworth and Morland. Shap boasts an excellent chippy and coffee shop.

The village hall is the oldest school in Westmorland and dates back to the 1600s. Besides the school yard, we now have a large grassy garden suitable for camping. There is ample parking space adjacent to the hall. The village is quiet with only 19 houses. Lots of lovely country walks are nearby together with dark skies at night to look at the stars (no street lighting), red squirrels and deer.

We charge £12 per person per night with a minimum charge of £25 for one night and the hall is for sole occupancy.
