STATEMENT OF TRUSTEES' AND DIRECTORS' RESPONSIBILITIES

The purpose of this statement is to distinguish the trustees' and directors' responsibility for the financial statements from those of the independent examiner as stated in her report.

Company and charity law require the trustees and directors respectively to prepare financial statements for each financial year which give a true and fair view of the charitable company's state of affairs at the end of the year and of its financial activities for that period. In preparing those financial statements the trustees and directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statement;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charitable company will continue in operation.

The trustees and directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006 and applicable charity law. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ST MARTIN'S SCHOOL (NAWTON) TRUST LIMITED

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 August 2024.

This report is made solely to the charitable company's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and the charitable company's trustees as a body in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the charitable company's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**ST MARTIN'S SCHOOL (NAWTON) TRUST LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2024**

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation and Company Information

The Accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Companies Act 2006.

St Martin's School (Nawton) Trust Limited is a charitable company, limited by guarantee, incorporated in England and Wales. The registered office is 1 St Saviourgate, YORK, YO1 8ZQ.

St Martin's School (Nawton) Trust Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

b) Preparation of the accounts on a Going Concern Basis

The charitable company has cash resources and has no requirement for external funding. The trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. They continue to believe that the going concern basis of accounting is appropriate in preparing the annual financial statements.

c) Funds Structure

The charitable company only has unrestricted funds, an unrestricted general fund and a revaluation fund, comprising those funds which the trustees and directors are free to use for any purpose in furtherance of the charitable objects.

d) Income Recognition

All income is recognised once the charitable company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charitable company; this is normally upon notification of the interest paid or payable by the bank/institution. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment advisor of the dividend yield of the investment portfolio.

**ST MARTIN'S SCHOOL (NAWTON) TRUST LIMITED
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2024**

1. ACCOUNTING POLICIES - continued

e) Expenditure Recognition and Irrecoverable VAT

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charitable company to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the charitable company. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the grant. Grants awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the charitable company.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty as to the timing of the grant or the amount of grant payable.

Governance costs comprise all costs involving the public accountability of the charitable company and its compliance with regulation and good practice. These costs include costs related to statutory independent examination and legal fees together with an apportionment of overhead and support costs.

All expenditure is accounted for on an accruals basis and includes the irrecoverable element of Value Added Tax.

f) Cost of Raising Funds

The costs of raising funds consist of investment management costs and certain legal fees.

g) Charitable Activities

Costs of charitable activities include grants made, governance costs and support costs.

h) Fixed Asset Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

**ST MARTIN'S SCHOOL (NAWTON) TRUST LIMITED
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2024**

1. ACCOUNTING POLICIES - continued

i) Realised/Unrealised Gains and Losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year.

Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

j) Debtors

Debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

k) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

l) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

m) Financial Instruments

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
