Given the nature of the Charities aims and objectives, the trustees must react to individual needs on a case-by-case basis. The long term aims are therefore geared to improving the over financial health of the charity rather for individual projects or schemes

Reserves and Investment Policy

All grant applications are dealt with on their merit, and as such no limit is set in advance for grant payments in any one year. However the trustees are mindful that the fund income is derived from investment interest, and are prudent in conserving the fund levels to safeguard investment income for future years.

The charity does not actively fundraise and relies upon income from investments to fund grant payments.

The actual level of reserves at 31st March 2024 was £881,333

The Local Authority, Swansea, subsidise the operation of the charity out of its statutory funds indirectly, by providing professional and administrative services, free of charge.

Professional advise is provided by staff within the Swansea Councils Legal, Social Services and Finance Departments. Staff within the Social Services Commissioning Team provide the day to day administration of grants and the processing and handling of applications prior to consideration of the trustees. The Accountancy functions are provided by staff within the Finance Department.

Councillors from Swansea Council are trustees on the charity's board

The relationship with the CCS enables the charitable funds to be directed effectively.

Basis of Opinion

I conducted my examination in accordance with the General Direction for Independent Examination issued by the Charity Commission. The examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking of explanations from you as trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required if a full audit was undertaken in accordance with the Statements of Auditing Standards, and consequently I do not express an audit opinion on the view given by the accounts.

Examiner's Statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements :
