Trustees' responsibilities in relation to the financial statements.

Charity law requires the Board of Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of its surplus or deficit for the financial year, and adequately distinguish any material special trust or other restricted fund of the charity. In preparing those financial statements the Trustees are required to :

- * select suitable accounting policies and then apply them consistently;
- * make judgements and estimates that are reasonable and prudent;
- * state whether the policies adopted are in accordance with the appropriate Statement of Recommended Practice on Accounting by Charities and the Accounting Regulations and with applicable accounting standards, subject to material departures disclosed and explained in the financial statements;
- * prepare the financial statements on the going concern basis unless it is inappropriate to assume the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity, and enable them to ensure that the financial statements comply with applicable Accounting Standards and Statements of Recommended Practice and the regulations made under Section 132 of the Charities Act 2011 and the Companies Act 2006.

The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

In accordance with company law, as the company's directors, we certify that:

- * So far as we are aware, there is no relevant audit information of which the company's auditors are unaware;
and
- * As the directors of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that the Charity's auditors are aware of that information.

By order of the Trustees

or
- 2 the accounts do not accord with those records;
or
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirements that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination;
