THE SAFE START FOUNDATION

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their annual report and financial statements for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's [governing document], the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The charity's objects are to relieve poverty, sickness, hardship and distress amongst young single people living in London by providing assistance in housing, employment, care and support. The main purpose of the charity is to enable vulnerable and disadvantaged young people to move from dependence to independence by providing access to accommodation, employment and personal development with appropriate advice, information and support.

The charity also provides support services to vulnerable isolated elderly people. In particular, the charity aims to alleviate social isolation for Irish Elders by providing weekly social and cultural activities.

To achieve these objects, the charity operates a number of projects in the London Boroughs.

The policies adopted in furtherance of these objects are set out in the attached notes to the accounts and there has been no change in these during the year.

Public benefit

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

We have referred to the guidance contained in the Charities Commission's general guidance on Public Benefit when reviewing our aims and objectives and in planning future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

Activities

The Safe Start Foundation provides the following key services:-

- Housing Advice
- Wembley Irish Community Centre
- Elders clubs in Edgware and Ruislip
- Care Leaving Services

FOR THE YEAR ENDED 31 MARCH 2024

Wembley Irish Community Centre

An Irish community centre based in Wembley in the London Borough of Brent. However, it also operates in the London Boroughs of Barnet and Hillingdon. Clients receive confidential support, advice and guidance as well as valuable information to Housing Associations and Private Landlords.

(a) Irish Community Services

This embraces the Irish Community and addressing local issues and national concerns with a particular focus on Housing, Employment and Elderly Services. Our members in Wembley, Cricklewood, Edgware and Hillingdon rely on the team for guidance on benefits, housing and health issues. To meet these needs, our services include:

- Irish Set Dancing alleviates social isolation and connects individuals to their cultural roots whilst acting as a great way to keep fit.
- Line Dancing alleviates social isolation and promotes physical fitness
- Relaxation & Positive Thinking Class alleviates social isolation and promotes both mental and physical well being
- Aerobic Keep Fit alleviates social isolation and promotes physical fitness
- IT for the Elderly encourages independent living amongst the Elderly. This includes shopping on-line for groceries. It also alleviates isolation by allowing participants (particularly emigrants) to keep in touch with overseas relatives via email.
- Live Music and Dancing alleviates social isolation and promotes physical fitness
- Yoga alleviates social isolation and promotes mental and physical well being
- Lunch with Friends alleviates social isolation and promotes healthy eating
- Bingo alleviates social isolation
- Day Trips alleviate social isolation and enable those that would otherwise be unable to leave their local area, to visit places whilst feeling safe and secure.
- Irish Language Class alleviates social isolation and connects individuals to their cultural roots.

(b) Safe Start Employment Services

This aims to reduce unemployment by matching job seekers to employers and offering a programme of training, advice and support throughout the entire Job Search process, and beyond. We work with individuals to understand their job history, barriers to success and aims and objectives. Individuals are supported every step of the way, from creating a great CV, to developing job searching skills, and perfecting interview technique. We can provide assistance in the following areas:

- Employer liaison to forge routes to employment for the Unemployed.
- Individual Assessments to establish Client needs and barriers to employment.
- One to one support and group training around Job Searching (i.e.: Interview technique, Application Forms etc.) increases independent job searching.
- Professional and targeted CV production increases Clients' employability.
- Benefit advice and support help assess salary requirements and illustrate potential for improvement in standard of living and take up of full entitlement.
- Career Plans illustrate opportunities for progression and improvement in standard of living.

Care Leaving Service

This provides outreach services to young people with support needs, enabling a smooth transition from the Care system to independence. Safe Start offers support around everyday issues like cooking, cleaning, budgeting, education, employment and maintaining their tenancy. We work closely with drug and alcohol groups, youth offending teams and health care advisors to offer our clients the best support possible.

Achievements and performance

Significant activities and achievements against objectives

The majority of the performance targets set in the Charity's business and service plans were met.

During the year, the charity assisted over 116 (2023: 105) people who were supported on a regular basis. This resulted in over 2,485 (2023: 2,260) client contacts during the year.

THE SAFE START FOUNDATION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Financial review

Details of our income and expenditure are set out in the Statement of Financial Activities (SOFA). The total incoming resources for the year amounted to £76,118 (2023: £67,209). With total costs of £204,631 (2023: £188,728), this resulted in a net deficit for the year of £128,513 (2023: £121,519).

Net outgoing resources of £(38,199) (2023: deficit £22,622) were incurred on restricted projects - see Note 16.

The Charity continues to maintain a sound financial base.

Reserves policy

The Trustees have established a policy whereby the unrestricted funds not committed or invested in fixed assets ('the free reserves') held by the Charity should be between three and six months of the resources expended, which currently equates to between £51,158 (2023: £47,182) to £102,316 (2023: £94,364) general funds. At this level, the Trustees feel that they would be able to continue the current activities of the Charity in the event of a significant drop in funding, while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year. It would obviously be necessary to consider how the funding would be replaced or activities changed. At present the free reserves, which amount to £57,786 (2023: £56,299), are within the three to six month target range.

Although the Charity's level of free reserves is in excess of its target levels, the Trustees are currently in the process of identifying new premises to relocate to in 2025, and this will deplete the level of reserves substantially.

Principal funding sources

Key sources of funding are The Irish Government Department of Foreign Affairs and Trade; Emigrant Support Programme (ESP). We also receive income via contract services to social services departments providing support to young care leavers. Special one-off grants are also received from Trusts for new projects.

The Board of Trustees are currently taking steps to identify alternative funding sources and new projects and a new fundraising strategy is being explored for 2024/25/26 and going forward.

Investment policy

The Trustees have discretion as to the manner in which funds are invested. The Trustees have considered the most appropriate policy for investing funds and has found that, given the level of funds over the course of the year, funds would be best held on short term deposits. The Trustees consider the average return on these deposit accounts during the year of 3% to be satisfactory given the prevailing interest rates in the period under review.

Major risks

The Management Committee has conducted a review of the major risks to which the charity is exposed, in particular those related to the operation and finances of the Charity, and are satisfied that systems are in place to mitigate its exposure to the major risks. A risk register has been established and is updated at least annually. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Significant external risks to funding have led to the development of a strategic plan which will allow for the diversification of funding and activities. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to the premises operated by the Charity.

Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operational aspects of the Charity. These procedures are periodically reviewed to ensure that they still meet the needs of the Charity.

FOR THE YEAR ENDED 31 MARCH 2024

Plans for future periods

The Charity wishes to ensure it can service its clients' needs and in this regard may acquire and develop further properties. This will be done from its own resources or in partnership with its partner agencies and local authorities. Currently, the Charity is undergoing a strategic review of its services and objectives to address the current economic environment. The Charity believes that there is likely to be an ongoing need for the resources of the charity for the foreseeable future. The Trustees are of the opinion that homelessness and unemployment amongst young people and social isolation for the elderly, will still continue to be key issues for the foreseeable future.

Having sold its Wembley Centre, the Charity is seeking more suitable premises for its work with the elderly community.

Finally, and very importantly, the Trustees wish to acknowledge the dedicated work of the staff team and all the above organisations that have played their own vital and supportive role in helping the foundation continue to provide a Safe Start to our homeless and/or unemployed young people. There is still much to do and the Trustees are confident that Safe Start will meet the challenges ahead.

Structure, governance and management

The charity is an unincorporated entity and was established by a charitable trust deed on 6 June 1989.

The charity is a member of Irish In Britain, a national membership body for Irish community organisations in Britain.

The trustees who served during the year and up to the date of signature of the financial statements were:

S McCormack (Chairman)

P Patton

T Beisty

A Rogers

S McGarry

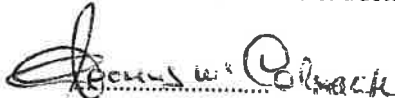

Recruitment and appointment of trustees

The Trustees focus their attention on strategic issues and delegate operational decisions to the Chief Executive. However, they monitor operational performance through regular reporting. The appointment and review of senior staff is carried out by the Chief Executive. The Charity employs 3 (2022: 3) full and part-time staff led by a management team of two: The Chief Executive and the Support Services Manager.

Relationship with related parties

The charity is an unincorporated entity and details of related parties are given in the notes to the accounts.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE SAFE START FOUNDATION

I report to the trustees on my examination of the financial statements of The Safe Start Foundation (the charity) for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

THE SAFE START FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Charity information

The Safe Start Foundation is a an unincorporated entity..

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

These financial statements have been prepared on a going concern basis which assumes that the charity will continue in operational existence for the foreseeable future. The validity of this assumption is dependent upon the continued support from its principal source of income as well as the Trustees successfully securing additional sources of funding..

The Trustees acknowledge that funding is becoming increasingly more difficult to secure in an ever decreasing funding market place. Despite actively seeking out and considering a number of opportunities, the charity has not secured sufficient funding to prevent it incurring a deficit in the year under review. The Trustees have considered the period ahead and are also forecasting that a deficit will be incurred over the next 12 months, unless additional funding is secured. Funding has been secured from the Irish Government of Foreign Affairs and Trade: Emigrant Support Programme (ESP) for 2024/25, to allow the charity to continue to run its Irish Elderly Project.

Notwithstanding the above, the charity still has a healthy asset base at the year end and has significant cash balances and other net current assets in its balance sheet that will enable it to meet its day to day commitments in the foreseeable future and fund any deficits within at least the next 12 months.

As a consequence, the Trustees believe that the charity is well placed to manage its business risks successfully despite the current uncertain economic outlook, and funding position.

In view of the above, and at the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

If the charity were unable to operate, adjustments would have to be made to reduce the value of the assets to their recoverable amounts, to provide for further liabilities that might arise and to reclassify fixed assets as current assets.

THE SAFE START FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

Intra-fund transfers between unrestricted and restricted funds are at the discretion of the Trustees.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both the costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the Charity and include the audit fees and costs linked to the strategic management of the Charity.

Overhead and support costs have been allocated as a direct cost or apportioned on an appropriate basis between the Charitable Activities, Costs of Generating Funds and Governance Costs. Once allocation and/or apportionment of overhead and support costs has been made between Charitable Activities, Costs of Generating Funds and Governance Costs, the cost attributable to Charitable Activities is apportioned across those activities in proportion to total spend.

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Tangible fixed assets are stated at cost less depreciation. The costs of minor additions or those costing below £1,000 are not capitalised. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings & equipment	15% on a reducing balance basis
Motor vehicles	25% on a reducing balance basis

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

1.9 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.10 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.11 Government grants

UK Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. A grant received before the recognition criteria are satisfied is recognised as a liability.

The Irish Government ESP grant is recognised in the year of receipt. Any net underspends in the year are carried forward and accounted for as deferred income for the next ESP accounting period.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
