Trustees' Report

For the year ended 31 March 2025

The trustees are pleased to present their annual directors' report together with the financial statements of the charity for the year ending 31 March 2025 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

Constitution

The company is a charitable company (charity number 802103) limited by guarantee (company number 02408836 (England & Wales)) and was set up with a Memorandum and Articles of Association which are its constitution on 28 July 1989. At the 2010 AGM the membership agreed a complete revision of the memorandum of association, which were approved on 7 December 2010 and filed on 13 January 2011. The revised memorandum of association included a revision to the charities objectives as detailed in the objectives and activities section of this trustees' report.

The registered office which is the principal office and the Management Committee are disclosed on the charity information page.

Compliance

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015).

Structure, Governance and Management

Governance

As stated above, Greenwich Mencap is governed by a Memorandum and Articles of Association. The Articles state that the maximum number of members on the Board of Trustees shall not exceed 12.

The Board of Trustees, who may exercise all the powers of the Charity, has a strategic overview of the business of the organisation. Ordinary Board of Trustees' meetings facilitate discussion and decision-making regarding the strategic direction of the organisation and ratify Policies drafted by WorkNest HR Consultants that are updated regularly, though not necessarily annually.

The Board of Trustees have Ordinary Meetings at least each quarter with the CEO and Finance Manager to provide opportunities for Trustees to consider issues in greater detail. These meetings are being held on zoom since March 2020 due to the Coronavirus.

The Director of Services also meets regularly for informal discussions with the Chair of Trustees and Treasurer.

Terri Looker was appointed as Director Services on 1st July 2017.

Greenwich Mencap

Trustees' Report

For the year ended 31 March 2025

Elections and Appointments

New members to the Board of Trustees are recruited via articles in the Greenwich Mencap newsletter, internet, HR recruitment sites and personal recommendation.

Potential candidates meet informally with the Chair of Trustees and the Director of Services and will complete a Skills Audit template before being presented as a suitable candidate to the Board and having had an interview with The Chair of Trustees & the Director of Services. Trustee inductions include completion of an induction form identifying key policies and signing to confirm receipt of documents, shadowing with staff (if required), site visits, mentoring from established Trustees and formal online instruction and attending structured training on Governance. Trustees are required to complete formal and in-house training.

Trustees are appointed at an Annual General Meeting (AGM) and shall take office from the end of that meeting. Existing members of the Board shall retire from office at the end of each AGM unless re-elected or re-appointed. Subject to article 42, no person shall be appointed or re-appointed as a Trustee at any General Meeting unless he or she has been nominated by one or more members by written nomination, delivered to the Company Secretary at least seven days before the date appointed for the meeting, together with notice executed by the nominee of his or her willingness to be appointed or reappointed. Provided that if no nominations for a particular vacancy are made in that period, nominations for the vacancy shall be accepted at the meeting.

Responsibilities of the Trustees

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations and in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Under new GDPR regulations, the ultimate responsibility for data protection compliance lies with the trustees.

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including income and expenditure of the charity for that period.

In preparing the financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the CharitiesSORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements; and prepare the financial statements on the going concern basis unless it is inappropriate to presume the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply

Greenwich Mencap

Trustees' Report

For the year ended 31 March 2025

with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

So far as each Trustee is aware, there is no relevant information (information needed by the charity's independent examiners in connection with preparing their report) of which the charity's examiners are unaware; and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the charity's examiners are aware of that information and to establish that the charity's examiners are aware of that information.

Charities Structure and Management

The Board's support of the Director of Services as the strategic leader of Greenwich Mencap is reflected in the development of Greenwich Mencap's Plan and further professionalisation of the permanent contracted staff through structured training courses.

In 2024/25, the Senior Management Team (SLT) consisted of the CEO (Terri Looker), Independent Support Manager (Sally Ettridge), Finance Manager (James Thorpe), Arts and Crafts Lead (Samuel Kenny), Riverwood Lead (Marie Masher), and Greenlights Manager (Aquila Davis).

Affiliations

Greenwich Mencap is affiliated to Royal Mencap Society as a Mencap Partner and is guided by their standards in relation to policies, procedures and conduct. Whilst Greenwich Mencap receives some support in kind from them, it does not receive any direct funding.

Greenwich Mencap has a good relationship with Royal Mencap Society as well as many other charities in the borough that have similar objectives. It prides itself on having the communication skills and flexibility to produce the best outcomes for our members and service users.

Financial Review and Reserves

The trading results for the year and the charity's financial position at the end of the year are shown in the attached financial statements. The net surplus for the year is £16,133.

The trustees have set a minimum level of six months of operating costs for the organisations desired level of reserves. Currently the minimum of one month's expenditure will be £60,000. Total free unrestricted reserves totalled £354,247, excluding Riverwood (£112,059), and a legacy received currently held as investments (£674,664), both of which have their own designated funds. Of these unrestricted funds, £15,486 is held as fixed assets, leaving £338,761 as accessible free reserves.

Greenwich Mencap

Trustees' Report

For the year ended 31 March 2025

While there are no formal restrictions on the legacy the Letter of Wishes with it stated that it was for the long-term sustainability of the charity, as such the Trustees have chosen to treat it as an endowment and have designated these funds. Any income generated will be used for the future sustainability of the charity.

Performance

Each project has aims and objectives for the year and the outcomes are recorded in the form of monitoring figures, budget tracking and service user feedback. Each service produces regular monitoring to the Management, Trustees and funding organisations. The finance Manager matches up Profit & Loss figures with the SMT to ensure performance to budget targets. These are then presented to the Director of Services and trustees for further scrutiny.

Trustees

The trustees, who are also directors of the company, who served during the year, were;

Anthony Pearlgood (Chair)
Jonathan Sellars (Treasurer)
J Lawson – resigned on 6 December 2024
C Swift – resigned on 6 December 2024
S Hutton – appointed 6 December 2024
M Lehane – appointed 1 February 2025
A Balestrini – appointed 22 July 2025
L Smyth
T Smyth

As Chair, I would like to express my sincere appreciation to the both the current Trustees and our former colleagues for their valuable contributions to the work of Greenwich Mencap over the past year.

Risk Management

The Trustee Board has identified the major risks to which the charity may be exposed and has implemented systems and procedures to mitigate risks. There are sound internal controls in force to safeguard the charity's assets.

Risks have been categorised and areas of risks identified as Low, Medium and High. A Risk Assessment folder contains Risks that safeguard our staff, volunteers and service users. Risk Assessments are routinely carried out and reviewed by Department Managers (SMT) within the organisation.

Principal Risk

- RBG funding
- Greenlights funding
- LLW annual increases

Greenwich Mencap

Trustees' Report

For the year ended 31 March 2025

HR Review

Greenwich Mencap has reviewed its HR procedures and has instructed Ellis Whittam consultants and is confident that their procedures are sound and robust.

Stakeholders

In addition to the Royal Mencap Society, Greenwich Mencap has a good relationship with many other charities in the Royal Borough of Greenwich that have similar objectives, and with our other stakeholders. It prides itself on having the communication skills and flexibility to produce the best outcomes for our members and service users.

Greenwich Mencap

Trustees' Report

For the year ended 31 March 2025

Chairman's Report

I would like to open this report by reminding everyone of what Greenwich Mencap continues to stand for:

Our Vision

- A society which values people with a learning disability.

Our Mission

- To listen to the aims, hopes and aspirations of people with a learning disability and their families and carers.
- To enable and empower all children and adults with a learning disability and their families and carers to achieve their full potential.
- To encourage and promote public awareness of the positive contribution and potential of people with a learning disability.
- To enlist the support of the general public through publicity and fundraising.
- To campaign for and represent the interests and needs of people with a learning disability, and their families and carers, to the statutory authorities and other relevant agencies.
- To provide quality social and leisure activities, and opportunities for self advocacy.
- To promote training and work experience, leading to employment opportunities for people with a learning disability.
- To promote the provision of quality residential and respite care with the support of the local community, the statutory authorities and other organisations.
- To recruit, train and support users, carers and volunteers to achieve these aims.
- To run Greenwich Mencap using sound management principles, systems and tools.

Our Objectives

Our Governing Document states that Greenwich Mencap's aims and objectives are:

- a. To promote, campaign for and support the needs and rights of children, young people and adults with a learning disability and their families, and to deliver services to this effect;
- b. To support the inclusion agenda and recognise their rights under the Children & Families Act and the Care Act to choose what is right for them.

In the course of doing so we may also promote, campaign for and support the needs and rights of children, young people and adults with a learning disability and their respective families, and to deliver services to this effect. Greenwich Mencap values diversity in principle and practice, and

Greenwich Mencap

Trustees' Report

For the year ended 31 March 2025

works within an equal opportunities framework as it relates to children, young people and adults with learning disabilities and their families, employees, partnership services and society in general.

- c. To develop and deliver high quality, person/family- centred, specialist and inclusive age appropriate services for children, young people and adults with learning disabilities and their families. The primary area of benefit will be the London Borough of Greenwich, but includes those who are placed in residential care situations by the Royal Borough of Greenwich outside its geographical area. However, in ensuring the ongoing viability of the company, Greenwich Mencap may develop provisions outside of this region.

Achievements in 2024/25

Though it has been a very challenging time due to the rise in the cost of living and the annual increase to the London Living Wage (unusually high) we continued to make efficiencies and financial savings whilst continuing to provide high quality services that meet the needs of our members and service users.

We were awarded £15,000 from The Garfield Weston Foundation and £44,796 from City Bridge for the Greenlights project. For the Life Skills Centre we were awarded £5,000 from Screwfix, £5,000 from The Drapers Company (SWBF), £20,000 from The Baily Thomas Charitable Fund, £750 from Kaye Charitable Trust, and £12,500 from RBG Healthier Community Fund. RBG awarded a £2.60 increase per Riverwood placement.

Donations

We are grateful for all of our donations, but a special thank you is due to:

Key Objective

The key objective for the next accounting year will be to ensure that Greenwich Mencap's income exceeds expenditure through cost savings and increasing income whilst continuing to meet the needs of our Members and Service Users. We aim to do this by introducing an incentive-based membership, new services to reach a wider audience increasing client numbers and plan more fundraising events

Staff & Volunteers

The positive contribution from all of our staff and volunteers is critical to the success of Greenwich Mencap. My fellow-Trustees and I wish to place on record their sincere appreciation of the efforts of all staff over the past year, despite the continuing uncertainties of funding, etc and the changes which have come about within Greenwich Mencap.

Chair of Trustees

Independent Auditors' Report to the members of Greenwich Mencap

For the year ended 31 March 2025

Opinion

We have audited the financial statements of Greenwich Mencap (the 'Charity') for the year ended 31 March 2025 which comprise the Statement of Financial Activities, Balance Sheet, Cash Flow Statement and the related notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 31 March 2025 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the strategic report and the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report (incorporating the strategic report and the directors' report) have been prepared in accordance with applicable legal requirements.

Independent Auditors' Report to the members of Greenwich Mencap

For the year ended 31 March 2025

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Annual Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us;
- the financial statements are not in agreement with the accounting records and returns;
- we have not obtained all the information and explanations necessary for the purposes of our audit;
- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption in preparing the directors' report and take advantage of the small companies' exemption from the requirement to prepare a strategic report.

Responsibilities of the trustees

As explained more fully in the trustees' responsibilities statement set out on pages 2-3, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Extent to which the audit was considered capable of detecting irregularities, including fraud

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the company through discussions with directors and other management, and from our commercial knowledge and experience of the computer software and support sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Companies Act 2006, data protection and charities commission regulation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

Independent Auditors' Report to the members of Greenwich Mencap

For the year ended 31 March 2025

Audit response to risks identified

We assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in Note 1 were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation and;
- enquiring of management as to actual and potential litigation and claims.
- Review of meeting minutes
- Enquiring as to any correspondence with Charities Commission

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

Use of our report

This report is made solely to the Charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

Greenwich Mencap

Notes to the financial statements

Year ended 31 March 2025

1. Accounting Policies

- (a) Company information – Greenwich Mencap is a company limited by guarantee, incorporated in England and Wales and registered as a charity with the Charities Commission. The registered office is Unit 7 Woolwich Common Enterprise Centre, Peace Street, London, SE18 4HX.

Basis of preparation - The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) – (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in the financial statements are rounded to the nearest £.

The effects of events relating to the year ended 31 March 2025 which occurred before the date of approval of the financial statements by the Trustees has been included in the financial statements to the extent required to show a true and fair view of the state of affairs at 31 March 2025 and the results for the year ended on that date.

Greenwich Mencap meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

- (b) Fixed assets are only capitalised where their value exceeds £250. Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Equipment	-	25% reducing balance
Motor Vehicles	-	25% reducing balance
Website Costs	-	25% reducing balance

- (c) Investments are made as part of a portfolio held with an external investment company. The valuation of the portfolio is remeasured at fair value at the balance sheet date with any profit or loss being recognised in the statement of financial activity.

- (d) Resources expended are recognised in the period in which they are incurred. Resources expended include attributable VAT, which cannot be recovered.

- Costs of generating funds relates to the costs incurred by the charitable company in raising funds for charitable work.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements.

All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned as disclosed in (e) below.

Greenwich Mencap

Notes to the financial statements

Year ended 31 March 2025

- (e) Resources expended are recognised in the year in which they are incurred. Certain expenditure is directly attributable to specific activities and has been included in those categories. Support costs which are attributable to more than one activity are apportioned across cost categories on the basis of an estimate of the proportion of time spent by staff on those activities.
- (f) Grants and donations are recognised in full in the statement of financial activities in the year in which they are receivable, where they are received in advance, they are treated as deferred income. All deferred income relates to a period of less than 1 year. Legacies are recognised in full in the year in which they are received.
- (g) Funds held by the charity are defined as:
- *Unrestricted funds*
Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.
 - *Restricted Funds*
Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund.
- (h) Liabilities are recognised where probable obligation to transfer economic benefits exist and debtors are recognised on at the point that the charity becomes entitled to receive income from service provided.
- (i) Rentals payable under operating leases are charged to the statement of financial activities on a straight-line basis over the lease term.
- (j) The charity operates two pension schemes;
- The charity provides a defined contribution pension scheme for all new employees, the assets of which are held separately from those of the company in an independently administered fund. Contributions to this scheme are charged to the income and expenditure account as they become payable.
 - The charity also provides a defined benefit pension scheme, which is governed and administered by the London Borough of Greenwich. As such contributions to this scheme are charged to the income and expenditure account as they become payable.
- (k) Going concern - there are no material uncertainties about the charity's ability to continue.
- (l) Fixed asset investments are measured at fair value, with changes in fair value recognised through the statement of financial activities.

2. Net outgoing resources

This is stated after charging:	2025	2024
Depreciation	5,162	6,882
Auditors' remuneration	6,720	6,480

Greenwich Mencap

Notes to the financial statements

Year ended 31 March 2025

3. Trustees expenses

No remuneration or benefits in kind was paid to any trustee in the year. No direct reimbursements for expenses to trustees were made during the financial year.

4. Pension commitments

The following payments were made to the company pension schemes in the year:

	2025	2024
Defined Benefit Scheme	1,236	1,942
Auto-enrolment Scheme (Defined Contribution)	27,217	12,783

At 31 March 2025, £20,930 (2024: £18,804) was payable to the fund. The defined benefit scheme is a multi-employer scheme, paid to the London Borough of Greenwich. As such the charity is unable to identify its share of the underlying gross assets and liabilities of the scheme in a consistent and reasonable basis. The above figures are based on the current year contributions.

5. Taxation

The charitable company is exempt from corporation tax as all its income is charitable and is applied for charitable purposes.

6. Staff costs

Staff costs for the year were as follows:	2025	2024
Wages and salaries	488,167	446,311
Redundancy costs	-	11,831
National insurance costs	40,296	34,740
Pension costs	<u>20,796</u>	<u>16,289</u>
	<u>549,259</u>	<u>509,171</u>

The average number of employees during the year was as follows:

	2025	2024
Direct staff	<u>22</u>	<u>28</u>

The number of employees whose annual remuneration was more than £60,000 is as follows

	2025 Number	2024 Number
£60,001 to £70,000	<u>1</u>	<u>-</u>

16 Restricted Funds

Transition Worker

A Transition Worker supports young people with additional needs as they move from childhood into adulthood, ensuring their journey between children's and adult services is smooth, coordinated, and person-centred. They work closely with the young person, their family, and professionals across education, health, and social care to create a clear plan that reflects the young person's aspirations, strengths, and support needs.

Greenlights

Provides behaviour support and intervention for children with learning disabilities and additional challenging behaviour.

17 Transfers

No fund transfers have been made during the year.

18 Related parties

The following transactions occurred with known related parties during the financial year:

- S Hutton [Trustee] - £1,572 of fees relating to their time spent organising fundraising activities
- T Looker [Management] - £324 donations to Greenwich Mencap
- T Looker [Management] - £92 reimbursement of travel expenses & office expenses

There were no outstanding balances with any known related parties at the year end.

19 Other professional services provided by the auditors

In common with many other charities of our size and nature we use our auditors to prepare and submit returns to the tax authorities and assist with the preparation of the financial statements.

20 Limited liability

The Trustees of the company guarantee to contribute an amount not exceeding £1 to the assets of the charity in the event of winding up.

21 Restricted reserves in deficit

The deficit on Greenlights has been funded from unrestricted fund held for the same purpose. Overall unrestricted reserves show a surplus of £1,130,446 (2024 – £1,117,647). This is made up of free reserves of £302,855 and designated reserves of £827,591.

22 Reconciliation of net income/(expenditure) to net cash flow from operating activities
