TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 5 APRIL 2022

The Trustees present their report along with the financial statements of the Charity for the year ended 5 April 2022. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charity's Trust Deed, the Charity's Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

History, constitution objectives and activities

The Mrs B L Robinson's Charitable Trust is an unincorporated trust constituted by a Deed of Trust on 10 November 1989, and is a registered Charity, No. 802552.

The main objects of the Charity are to provide relief to charities by way of project donations to charities involved in Bedfordshire. The Charity achieves these objects providing financial grants to other charities which provide assistance directly to the beneficiaries.

The Charity maintains an investment portfolio of stocks and shares to provide a source of income, which is used to finance its charitable aims.

The Charity was set up by placing an initial sum of £100 into trust. Subsequently, further sums were introduced into the trust.

Organisation

The Trustees who have served during the year are set out on page one.

Trustees are appointed by the board of Trustees. Each new Trustee must first sign, in the Minute Book, a declaration of acceptance and of willingness to act as a Trustee in accordance with the Trust Deed. The Trustees must meet at least once each calendar year.

Risk management

The Trustees have assessed the major risks to which the Charity is exposed, including those in relation to Covid-19 and in particular those related to the finances of the Trust and are satisfied that systems are in place to lessen our exposure to the major risks.

Grant making policy

The Charity receives applications for funding from local charities for charitable purposes in Bedfordshire and from national charities engaged in raising funds for local projects in Bedfordshire. Grants are made at the Trustees discretion.

Investment policy

In accordance with the trust deed, the Trustees have full and unrestricted powers to invest in such stocks, shares, investments and property as they see fit. The Trustees engaged Rathbones as investment managers. The policy is based on maximising income and growth of assets.

**TRUSTEES ANNUAL REPORT
AT 5 APRIL 2022**

Achievements and performance

During the year grants totalling £67,366 (2021: £135,660) were made to charities in Bedfordshire towards projects that enabled them to provide assistance directly to their beneficiaries. During the current year there was an unrealised gain in the market value of the investment assets of £178,267 (2021: £1,045,303) and a realised gain in the market value of the investment assets of £69,207 (2021: £433,066).

Financial review

The income fund generated income in the year of £138,834 (2021: £113,946) from which grants have been made of £67,366 (2021: £135,660). The net incoming resources for the year after grants and expenses was £22,575 (2021: net outgoing £66,064). This year has seen an increase in the fixed asset investment value of £86,991 at the balance sheet date compared to the previous year.

Reserves policy

The Trustees have agreed a level of cash reserves which takes into account both the requirement for liquid funds for investment decisions and the level of income arising on the reserves to fund grant making activities. This policy is reviewed regularly. The free reserves at year end were £256,540.

Public benefit

The trustees confirm that they have complied with their duty, set out in the 2011 Charity Act, to have due regard to Charity Commission guidance on public benefit.

Statement of the Trustees' Responsibilities in Respect of the Accounts

The Trustees are responsible for preparing the Trustees' Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) for each financial year which give a true and fair view of state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP 2019 (FRS 102);
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 20 September 2022 and signed on their behalf by:

INDEPENDENT EXAMINER'S REPORT
to the Trustees of Mrs B L Robinson's Charitable Trust

I report to the Charity Trustees on my examination of the accounts of the charity for the year ended 5 April 2022, which are set out on pages 5 to 12.

Responsibilities and basis of report

As the Charity's Trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn.

We understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

MRS B L ROBINSON'S CHARITABLE TRUST**NOTES TO THE ACCOUNTS
AT 5 APRIL 2022****1. ACCOUNTING POLICIES*****Basis of preparation***

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling and rounded to the nearest pound. The address of the principal office is given in the charity information on page 1 of these financial statements.

Income recognition

Income is recognised when the amount can be reliably measured, the charity has legal entitlement to it and there is sufficient certainty of receipt of the income.

Fixed asset investments

Investments are recognised initially at fair value which is normally transaction price. Subsequently they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the statement of financial activities if the shares are publicly traded or their fair value can otherwise be measured reliably.

Realised gains or losses on investments are calculated as the difference between the disposal proceeds and the opening market value (purchase date if later). Unrealised gains or losses on investments are calculated as the difference between the market value at the year end and the opening market value (purchase date if later).

Debtors and creditors receivable/payable within one year

Debtors and creditors receivable or payable within one year are recorded at transaction price.

Support costs

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include governance costs. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with the use of the resources.

Going concern

The financial statements have been prepared on the going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The trustees have considered the effect of the Covid-19 pandemic on the financial position of the charity and have concluded that no adjustments are required and that the cash and investment balances are adequate to maintain the charities activities.

MRS B L ROBINSON'S CHARITABLE TRUST

**NOTES TO THE ACCOUNTS
AT 5 APRIL 2022 (continued)**

Funds

Unrestricted funds comprise those funds which the Trustees are free to use in accordance with the charitable objects. Income generated from endowment funds are unrestricted.

Expendable endowment funds are endowment funds where the Trustees have the power to convert the endowment fund into expendable income. When such a power is exercised the relevant funds become restricted or unrestricted funds depending on whether the donor has imposed any restrictions on the application of the funds.

Expenditure recognition

Project grants are accrued for in these accounts once the expenditure has been authorised for payment by the board of Trustees. Other expenditure is recognised when the amount can be reliably measured, there is a legal obligation to make it and it is probable that settlement will be required.
