Autism Independent UK

Autism Independent UK Trustees' Annual Report for the year ended 30th September 2020

Constitution

Autism Independent UK is registered with the Charity Commissioners (No. 803003) and constituted by Deed of Trust. This charity was formerly known as The Society For The Autistically Handicapped (SFTAH).

History, objectives and activities

Autism Independent UK was constituted by Deed of Trust. The constitution was adopted on 12 February 1990 and amended on 16 October 1999. The deed of trust is in the process to be updated this year to be run by a management committee. The charity was formerly known as The Society For The Autistically Handicapped (SFTAH) which it continues to use as a working name. Other names used by the charity are, Autism On Line (AOL) and Autism For All. The objects of the charity are to encourage greater awareness of autism, to assist in improving the quality of life of sufferers and their families through the provision of training and to build a long term housing complex also to provide a voice for those with autism in matters of local and national government policy towards them and those involved in their care.

The main activities of the charity throughout the year continued to be the provision of training and recreational facilities for the sufferers of autism and related conditions and support and training for carers, families and professionals involved in the support of autistically handicapped individuals.

Our main objective is to continue to increase our housing portfolio to be able purchase and build the housing complex.

Management and governance arrangements

This year has been very hard for all at the charity, working, trainings and general activity's due to the Covid-19 and its variants, so little has been achieved, forward planning has all but stalled.

Where required, new trustees are appointed by the other trustees as a body and are inducted by the Chief Administrator, K Lovett. The day to day operation of the charity is made by the management committee.

It must be noted: The Charities Commission has demanded that it be known that Pamela Lovett (acting secretary) on the management committee is the wife of Keith Lovett, We are actively looking for a replacement for her.

Mrs Bell has resigned (11.2020) (included here as this statement is written after our year end 30.9.20) as treasurer, citing the amount of work involved is too extensive and complex and conflicts with her other day to day business. We are seeking a new treasurer. That said, during covid and the work and rules involved, most say no, saying it's like a full-time job with too much responsibility, too many rules and regulations.

The trustees are all members of the management committee. This committee is the sole body for decision making. This is to be updated in our constitution during the coming year.

The trustees regularly review the risks the charity faces and, because of its investment policy, the major risk facing the charity is that a fall in property prices may affect the ability of the charity to achieve the purchase of a group home as quickly as it wants. However, there is no borrowing attaching to any of the freehold properties at present so there would be no impact on its ability to continue to achieve its main objects.

The charity has invested in land and buildings as part of its strategy to establish the group home. This will give it both an income and security for future purchase of the group home.

The charity employs 3 members of staff:

Achievements, performance and future plans

The Society's major achievements during the year were:

- Housing project has passed phase 1 of 3 phases and is now into phase 2, actively searching for appropriate land to purchase to start phase 3 including negotiating with North Northamptonshire Council (NNC) for this land. NNC are looking into other sites that may come up for sale but, to date, none have been found;
- continuing to expand the charity's collateral base for a group home project;
- providing free on-site internet access; **(covid restrictions)**;
- providing an improved telephone information service;
- expanding the resource holdings in the information centre - adding literature to the resource library **(covid restrictions)**. Now moving to web based;
- producing animated films for Social Stories, social learning and understanding;
- TEACCH and SCERTS has been completely halted **(covid restrictions)**;

Autism Independent UK

- producing training videos (**covid restrictions**);
- producing information videos, Law, Education, Autism (**covid restrictions**);

Proposed developments for the future

- to continue to search for appropriate land for group homes project;
- to publish all charity newsletters, constitution, accounts, meetings via Worldwide Web (**covid restrictions**);
- to make information free via electronic means.... Web etc.;
- to continue to improve the telephone information service;
- to increase training events (**covid restrictions**);
- to expand advocacy via the Web and other electronic means;
- to supply free of charge the Carer and update Card service to carers of Autistic persons, helping them to be more aware of the available resources;
- to start planning for phase 3 housing project, buildings, grants, donations;

Fundraising activities are limited to requests for grants and aid from corporate and other donors. The charity wishes to expand on this during the coming years (and looking at professional fundraisers) to enable the group home to be established quickly.

Financial review, investment policy and reserves

As has been stated, a primary aim of the charity is to establish a group home for young autism sufferers. In this respect it has continued to invest in domestic property to give both an income and to increase its capital base.

Reviews of values are carried out regularly to ensure that returns are reasonable. The returns for this year (both rental and estimated capital growth) amount to 7.7% (2019 0.4%). This reflects the current housing market. The trust has chosen not to adopt formal ethical investment policies although attention is paid as to whom properties are rented. The net incoming resources for the year before unrealised gains or losses on investments amounted to £138,955 (2019 - £102,225).

Unrestricted funds at the end of the year amounted to £1,550,127 (2019 - £1,411,172), which represents 20 years' general expenditure (excluding workshop costs which are covered by specific income).

Statement of trustees' responsibilities

Charity law requires the trustees to prepare financial statements for each financial year which show a true and fair view of the state of affairs of the charity and its financial activities for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the committee on
and signed on its behalf by:

Autism Independent UK

Independent Examiners' Report to the Trustees of Autism Independent UK

We report to the trustees on our examination of the accounts for the above charity for the year ended 30th September 2020, which are set out on pages 5 to 11.

Responsibilities and basis of report

As the charity trustees of the Autism Independent UK you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

We report in respect of our examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out our examination we have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

We have completed our examination. We confirm that no material matters have come to our attention in connection with the examination giving us cause to believe that in any material respect:

- accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the year ended 30th September 2020

Accounting policies

1. Basis of accounting

The financial statements have been prepared under the historical cost convention as modified for the inclusion of investment properties at valuation and in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and with the Charities Act 2011.

2. Investment income

Investment income is recorded when receivable.

3. Fixed assets

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life, as follows:

Office and other equipment	20% pa reducing balance
Caravans	20% pa reducing balance
Learning materials	25% pa reducing balance
Land	Nil
Portakabin and sitework	25% pa reducing balance
Building	2% pa straight line

Tangible fixed assets costing less than £50 are not capitalised.

4. Investment properties

Investment properties are revalued annually and included at market value. Market value is the open market estimated selling price. Where this has been given on a banding basis by the valuer, the lowest value is taken.

5. Incoming resources

In the case of grants, these are recognised as soon as the money is received and any conditions relating to the grants have been met.

Any grants for a specific purpose, either because they were requested for that purpose by the charity or because the donor specified the use, are included in income as restricted funds in the statement of financial activities. All other grants are included as unrestricted funds.

Income from seminars and workshops is recognised when the event is held irrespective of when the money is received.

Rental income is recognised as received.

6. Resources expended

Expenditure on seminars and workshops is included when the event is held irrespective of when invoices are received or money expended. This matches with the treatment of receipts for seminars and workshops.

All other revenue expenditure is recognised when incurred on an accruals basis.

Irrecoverable VAT is charged as part of the relevant cost.

7. Taxation

The charity is exempt from taxation on its income and gains where they are applied for charitable purposes.

8. Tangible fixed assets
