TRUSTEES' ANNUAL REPORT

The Trustees of The Edgware Foundation (“the Charity”) present their Annual Report and Unaudited Accounts (“the Accounts”) of the Charity for the year from 1 October 2022 to 30 September 2023. The Accounts have been prepared in accordance with the Accounting Policies set out on Pages 8 & 9 and comply with the Charity’s Declaration of Trust and applicable law.

- ***OBJECTIVES AND ACTIVITIES***

The Trustees stand possessed of the Trust Fund upon trust to pay or apply the whole of the income and the capital of the Trust Fund to or towards or in furtherance or for the benefit of such one or more charities, charitable institutions or charitable purposes in any part of the world in such shares and in such manner as the Trustees in their absolute discretion may from time to time determine provided always that nothing herein contained shall empower or authorise the Trustees to apply any part of the Trust Fund or the income thereof other than for the purposes which are charitable according to English Law.

Monies are raised by way of Charitable Donations received from Charitable Foundations, Individuals and Other Donors. The Charity would like to thank all of its sponsors for having helped to raise the continued high level of funds required for furthering the Charity’s objects and the high level of Charitable Activities including grants and donations it was able to make. In total, the Charity received donations of some £289k (2022: £304k) during the year.

Charities and Public Benefit

The Trustees have considered the Charity Commission’s guidance on public benefit and are satisfied that the Charity complies with that guidance.

Grant Making Policy

To act according to the Declaration of Trust which enables grants and donations to be made from both income and capital. All applications to the Charity for grants, donations or loans are considered carefully by the Trustees at regular meetings. On most occasions, if the Trustees feel that the application meets their approval in principle, they will meet applicants face to face and discuss with them the most effective way of providing assistance. The Trustees usually then have a further meeting before making a decision as to whether assistance should be granted, and if so, in what form and to what level.

The Trustees find that this is the most effective way of aiding applicants as it allows them flexibility in terms of deciding whether they will assist by way of a donation or an interest free loan and also ensures that each application is considered fairly.

TRUSTEES' ANNUAL REPORT (Continued)

- **ACHIEVEMENTS AND PERFORMANCE**

The Trustees continued to support educational institutions, those institutions that care for the poor and sick and other individuals who qualify as charitable beneficiaries under English Law. The Trustees have found that due to the diverse needs of the community, it is appropriate for the Charity to support other charitable organisations and individuals rather than specialise in one particular area of charitable work, such as relief of poverty or religious outreach work, on behalf of the Charity.

Grants and Donations

The level of Grants and Donations in the year decreased (2022: *increased*) on an annualized basis to some £289k (2022: £304k). A significant portion of this related to donations to individuals of some £212k (2022: £193k). The Trustees are very careful to ensure that these Grants and Donations only go to worthy individuals who fulfil/comply with the objects of the Charity and the Trustees spend a significant amount of time considering applications, as outlined in the Charity's Grant Making and Donation Policy.

The remaining Grants and Donations made to Institutions can be summarised as follows, details of which are provided in Note 5 to the Accounts:

	2023 £'000	2022 £'000
Education	-	39
General Charitable Purposes	37	55
Relief of Poverty and Welfare	-	-
Religious Organisations	-	<u>11</u>
	£37	£105

- **FINANCIAL REVIEW**

Review of the Charity's Financial Position

The Charity's Incoming Resources amounted to some £289k (2022: £304k). Resources Expended amounted to some £249k (2022: £308k) and hence there was a surplus/(deficit) for the year of some £40k (2022: Deficit £(4)k). The Charity's Funds increased/(decreased) by the same amount (2022: *increased/(decreased)*) by the same amount.

Reserves Policy

The Charity continues to beneficially hold two bank accounts. The policy of the Charity is to continue holding moderately sized balances in these bank accounts and continue to make contributions from both bank accounts on an ongoing basis.

- ***FINANCIAL REVIEW***

Investments Policy

The Trust has two bank accounts, one of which is maintained by the Trustees, and a Client Account, which is maintained by the Charity's Accountants for administration purposes only. These are the only investments to which the Charity has title.

Risk Management

The Trustees regularly consider the risks to which the Charity is exposed, and systems designed to mitigate those risks are considered on an ongoing basis. The two main risks identified by the Trustees are as follows:

1. Misappropriation of funds – this has been mitigated by restricting access to Charity's funds to the Trustees and the Charity's Accountants only and having all grant applications considered and distributed by the Trustees. All cheques require the signature of two Trustees.
2. A fall in Donations Received – the Trustees rely on the support of local individual and institutional sponsors and can only mitigate this indirectly by running the Charity efficiently, effectively and in accordance with its objects.

- ***STRUCTURE, GOVERNANCE AND MANAGEMENT***

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF

THE EDGWARE FOUNDATION

Charity Registration Number 803538

FOR THE YEAR ENDED 30 SEPTEMBER 2023

I report to the Trustees on my examination of the Unaudited Accounts ("the Accounts") of The Edgware Foundation ("the Charity") for the year ended 30 September 2023.

Responsibilities and Basis of Report

As the Trustees of the Charity, you are responsible for the preparation of the Accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act").

I report in respect of my examination of the Accounts of the Charity carried out under Section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under Section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in any material respect:

- the accounting records were not kept in accordance with Section 130 of the 2011 Act; or
- the Accounts did not accord with the accounting records; or
- the Accounts did not comply with the applicable requirements concerning the form and content of the Accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the Accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the Accounts to be reached.
