Achievements and Performance

During the year ended 31 August 2019 the Kidskabin playgroup has continued to provide excellent early years education, in partnership with the Education Authority. In excess of 17 children attended the playgroup during the academic year. Feedback from parents, carers and the children has been very positive. In keeping with the ethos of fostering good relationships within the local community, the children visited local shops and were visited by parent experts. Fundraising events have also provided opportunities to engage with the local community, as well as raising essential funds for the continuing operations of the nursery.
