

## ACTIVITY REPORT T.C.R. 1/4/22—31/3/23

TOTAL CALLS ---33

1. We continue to provide cover for our area 24/7, 365 days a year.
2. We purchased 5 Kit bags including A.E.DS with a grant received earlier this year from national lottery.
3. Our volunteer numbers have reduced due to Covid and now there are issues with initial training due to staffing problems within N.I.A.S.
4. Our volunteers continue to cover other local clubs and charity events for First Aid. We therefore provided a full First Aid training course with a 3-year certificate for our members.
5. Our update training with N.I.A.S. this year included use of airways, bag and mask due to ongoing concerns of infection doing mouth to mouth resuscitation.
6. We now have been provided with an office by Loughmacrory Community Group so in the near future we will be working on updating and furnishing this.
7. We continue to regularly check our public access defibrillators and keep them updated with N.I.A.S.
8. We continue to carry out demonstrations of C.P.R. and use of A.E.D With hands on practice for participants.
