Trustees Annual report. Financial Year 1st January 2021 to 31st December 2022

As in last year's report the trustees continue to be aware of the statutory requirements of Public Benefit. We consider that the ministry of the Christian gospel includes ministry and community outreach in Care Homes and hospitals as well as Children's work though a C.E.F. worker. As well as this, the relief of poverty is generously addressed by overseas giving to orphanages in India and the Philippines where oversight is accountable to us.

Financial Position

The trustees note with satisfaction the continued strong income figures in excess of £100K enabling us to address in a meaningful way, real poverty needs abroad. We continue to manage without church salaries or wages.
