

Annual Report 23/24

What a fantastic year this has been! Our families and friends in the community have helped us no end, and our fundraising has shown this in the new updates to the technology throughout the school.

Thanks to everyone's hard work and the support of the community we have purchased 5 interactive whiteboards for throughout the school, and covered the cost of the end of term school bus trips. That truly is some achievement and show just how much of a community we have.

We started our events this year with our annual Halloween Disco and a Raffle, with prizes kindly donated by local businesses. This went down a treat for all the kids in the school, and closely followed this up with our Christmas Craft Fayre, which again pulled a great ground from not only the school community but the wider community also.

Just before Easter we did some bag packing with donation buckets in Home Bargains, and collected donations. Then we did our Easter disco and Raffle, which again was hugely supported by all.

Then came Sports day, and this year we did our Spinathon with members of the local GAA and members of Staff and parents all taking turns on the bikes to raise over £2000! What a way to end the school year.

Next year we look forward to turning our attention to updating the playground toys and equipment.

We continue to hold no assets or liabilities
