#### Review of Activities, Achievements and Performance

The Evangelical Presbyterian Church (EPC) is established for the advancement of the Christian religion by supporting the work and outreach of its member churches and fellowships in Northern Ireland and selected Churches around the world.

The year saw a welcome return of normality to denominational church life following COVID 19. This included the commencement of the church planting work in the Foyle area, regular in-person Presbytery meetings (seven in total), visits to other denominational bodies, including the General Assembly of the Orthodox Presbyterian Church in USA in June and the Presbytery Day conference back in its traditional mid-May slot. A new elder was elected in the Knock congregation.

Due to declining attendances, at its September meeting Presbytery formally, but reluctantly, agreed to close the work in Richhill. In October, Presbytery began the process leading to revised procedures for the election of elders across the denomination.

A four week leadership training course commenced in October.

Presbytery sought and obtained a sponsor licence from the Home Office for the engagement of individuals from abroad on time-limited placement to support the work in congregations. Accounts and annual reports on all aspects of denominational business were considered and approved as appropriate. Protection of Children and Vulnerable Adults (POCVA) training was arranged and delivered, as was First Aid Training.

#### Public Benefit

In setting our objectives and planning our activities for the year the trustees have given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities have helped to achieve the charity's purposes and provide a benefit to the beneficiaries. The benefits of our organisation are evidenced through informal and ad-hoc feedback from our members, their families, parents of the young people who

attend our youth meetings, and the wider public. We believe that no harm can come from the purpose of the charity. The only private benefit flowing from our purpose is related to the employment of our Ministers who receive benefits as a result of their employment. However, this is incidental and necessary in order to further our advancement of religion charitable purpose. There are no other private benefits, as all of our activities are open to the general public and advertised to them. Our beneficiaries include our members, their families, and the community in which we minister
