Statement of Trustees responsibilities

Charity law requires the trustees to prepare financial accounts for each financial year which give a true and fair view of the state of affairs of the charity. In preparing those financial statements, the trustees are required to:

- * select suitable accounting policies and apply them consistently
- * make reasonable and prudent judgements and estimates
- * prepare the accounts on a going concern basis unless it is inappropriate to presume that the charity will continue to run.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial accounts comply with charity commission guidelines. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
