Achievements and Performance

HopeNW exists to promote the benefits of a drug-free lifestyle from a Christian perspective seeking to prevent self-harm by drug abuse through education. HopeNW has developed Workbooks aligned to the Northern Ireland Year 6 & Year 7 curriculum as a tool to assist in accomplishing this primarily through educating Year 6 & Year 7 about the dangers of drugs before they come under pressure to get involved. An Education Officer is employed to teach lessons on the dangers of drugs in primary schools throughout the North-West.
