Achievements and Performance

Friends of Africa celebrated 25 years, acknowledging the dedication of those involved in the organisation since 1998. We are proud to have 114 individuals giving their time and energy towards achieving our mission, of providing personal and social development opportunities for young people, here at home in Ireland and in our partner countries in Africa.

The Member's Weekend was held in Gortin, and launched a Standing Order Appeal where members were encouraged to get family and friends to sign-up to give a monthly donation to support FOA projects. Thanks to the success of this initiative, we now have annual donations, and can respond appropriately to the needs of our partners.

In January, FOA's Development Officer, was invited to Phokeng, South Africa to the Tsholofelo Community to deliver workshops on Youth Work to young adults who were selected to facilitate summer camps alongside FOA members in July. This training and planning added to the success of the first GSP in South Africa.

At our first Member's Meeting in January, we mapped out the year ahead and held an award ceremony for our 2020 and 2022 cohorts who completed their OCN Level 2 in Youth Work. Reporting 43% of our membership are now qualified in Youth Work, an essential pillar in ensuring success of youth work activities we facilitate.

A Well-being Weekend was facilitated in Corrymeela, Ballycastle, the 2-day retreat included Tai Chi, Art Therapy, and breathing exercises. The weekend provided an opportunity for members to take time out from their busy lives to relax, reflect, and recharge.

FRIENDS OF AFRICA
TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31st AUGUST 2023

The Law Centre NI hosted a very informative session on Migration and Asylum in Ireland. The shocking statistics presented helped educate our membership and put us in a better position to raise awareness, challenge negative narratives, and support those affected.

In May we hosted our first World Africa Day celebrations. The event allowed attendees to become immersed in African culture through dance, food, music, art, fashion, and the evening included inspiring quest speakers.

June 2023 the return of Member's travelling overseas to work with partners in South Africa and Tanzania, for the first time since 2019. FOA rebranded the volunteer programme as the Global Solidarity Project, with the attention on working in partnership with local youth leaders to deliver camps focusing on personal and social development. Extensive planning with partners was conducted pre-departure to ensure FOA were responding to the needs of the community. Following recruitment, training, and fundraising 7 members set off to Mwanza, Tanzania and 6 Member's to Phokeng, South Africa.

FOA applied and successfully received £9,900 from the Big Lotto Community Fund, which facilitated a 5-day summer scheme for young people of African origin who now call Belfast home. The week is filled with sports, games, day-trips, and new friendships.

Our Annual fundraiser in 2023 was The 4 Peaks Challenge, where 21 members and friends took on the highest peak in each province in Ireland over 3 days, to raise funds to support FOA projects.

The board continues to meet regularly and deal with all the legal and statutory requirements for charities.

The Trustees of Friends of Africa have complied with their duty to have due regard to the commission's public benefit guidance when exercising any powers or duties to which the guidance is relevant.
