### **Trustees' report for the year ended 31 August 2024**

The trustees present their report and the financial statements for the year ended 31 August 2024.

#### **Trustees**

Committee members of the association, known as trustees for the purpose of charity law, who served during the year and up to the date of this report are set out on page 1 of the financial statements.

#### **Charitable objects**

Arvalee School is for children and young people aged between three and nineteen years old who have severe to moderate learning difficulties. Music and sensory experiences give the pupils opportunities to enhance their confidence, communication and enjoyment of life. Experiences in this area cannot always be provided as part of the curriculum and the school believes that the enhanced alternative curriculum makes a huge difference to the lives of the children. As a result Friends of Arvalee School & Resource Centre was established. The association has an active Parent, Teacher and Friends association which is able to fundraise and provide events/activities for pupils of Arvalee School and their families, provide funds for additional resources for Arvalee school and build links with the local community. The association will also support the educational progress and attainment of pupils in Arvalee school.

Friends of Arvalee School & Resource Centre is a registered charity with the Charity Commission for Northern Ireland since 4 July 2014, under registration number NIC100362.

#### **Organisational structure**

The trustees meet regularly, administer the company and make all policy decisions.

#### **Review of activities and achievements**

The results reflect the activities carried on within the association during the year.

#### **Going concern**

The considered view of the trustees is that, after making enquiries, they have a reasonable expectation that the association will have adequate resources available to finance its obligations for the foreseeable future. The Trustees are not aware of any events likely to occur in the twelve months following the date of approval of the financial statements that may have an impact on the association's ability to continue as a going concern. We believe it is therefore appropriate for the financial statements to be prepared on the going concern basis.

#### **Reserves**

The results for the year are set out on page 5 of the financial statements. The purpose of the funds are outlined in the notes to the financial statements.

#### **Statement of trustees' responsibilities**

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end and of its incoming resources and resources expended during that year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

**Trustees' report  
for the year ended 31 August 2024**

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Accountants**

The trustees recommend that McFarland Arnold & Co remain in office until further notice.

**Friends of Arvalee School & Resource Centre  
(Company limited by guarantee)**

**Notes to the financial statements  
for the year ended 31 August 2024**

**1. General information**

The association is a registered charity with the Charity Commission for Northern Ireland since 4 July 2014 under registration number NIC100362. The address of the registered office is Strule Campus, Gortin Road, Omagh, Co Tyrone.

**2. Statement of compliance**

These financial statements have been prepared in compliance with Accounting and Reporting by Charities: Statement of Recommended Practice (FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland').

**3. Accounting policies**

**3.1. Basis of preparation**

The financial statements are prepared under the historical cost convention and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland')

The charity has taken advantage of the exemption in FRS 102 Section 1A from the requirement to produce a cashflow statement because it is a small charity.

The presentation currency of these financial statements is sterling.

**3.2. Incoming resources**

Income from donations and grants, including capital grants, is included in incoming resources when these are received.

The value of services provided by volunteers has not been included.

**3.3. Interest receivable**

Interest is included when it is received.

**3.4. Resources expended**

Expenditure is recognised when it is paid. Expenditure includes VAT which the association is ineligible to recover, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the association in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

**3.5. Fund accounting**

Unrestricted funds relate to general funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

**Friends of Arvalee School & Resource Centre**  
**(Company limited by guarantee)**

**Notes to the financial statements**  
**for the year ended 31 August 2024**

**3.6. Taxation**

As a charity, Friends of Arvalee School & Resource Centre is exempt from tax on income and gains falling within Section 505 of the Taxes Act 1988 or Section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects. No tax charges have therefore arisen for the company for the year ended 31 August 2024.

**3.7 Impairment**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

When it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

**3.8 Financial instruments**

A financial asset or a financial liability is recognised only when the association becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
