

Parents support group 2020

We got off to a great start to the year with our usual raffles at each of the Christmas plays and at each pantomime performance, the hampers were made up from parents donating one item from each child they all looked really well and made a lot of money without a lot of hassle!

We changed our annual Christmas disco to a Valentines disco at half term this worked very well and children were able to get their photos taken with their friends which the children then purchased.

Unfortunately then in March corona virus decided to pay a visit and we had to cancel our break the rules day we had planned for April, and we also had to postpone our fundraising BBQ and raffle at Rossharbour in May but thankfully we have secured another date for May 2021.

We provided ice cream to key workers children and teachers who were in school during the pandemic. We also gave a donation towards hoodies for p7 pupils who were unable to get their annual trip away due to the virus.

The Facebook page continues to be a great means of communicating our messages and getting the help we need for our activities.

Mrs Cullen our teacher rep has been an amazing support to us in all we do, always goes bound the call of duty! Thank you Mrs Cullen!!

We managed to secure a grant of just over £4000 from national lottery community fund to provide us with necessary equipment we required to make the p7 classroom viable in the assembly to enable us to apply by our social distancing rules.

Many thanks to everyone for your continued support.

Adele
