Little Saints' Parent and Toddler Group opened again in September 2022 after the summer break. The number of children attending was limited to thirty as the Committee felt it was a more manageable number and parents/carers were asked to register their child before attending. A risk assessment and compliance with all cleaning and sanitising requirements was carried out before opening.

We welcomed children from the City and rural areas and our Members belonged to mixed denominations and race.
The Group was well attended and parents/carers appreciated the opportunity to be able to meet together in a safe environment.

The usual activities were enjoyed by the children.
Parties were organised at Christmas and Easter.
At the end of June the children enjoyed a session with Joe Jingles.
