Structure, Governance and management

Rascals 'N' Ruffians is a voluntary organisation established in 1989. It is managed by Trustees (Management Committee). The Trustees are elected annually at the AGM by means of a public vote. They meet on a monthly basis. It is a constituted group; the constitution was most recently adopted on 22 October 2014 by trustees in a committee meeting.

The day-to-day operations of the Playgroup for the year are managed by the Playgroup Leader, Teresa Campbell. She has delegated authority, within terms of delegated approval, for operational matters including management of the other three staff members, delivery of Playgroup activities and budgetary management.

Charitable Objects

The object of the Playgroup as set out in our constitution is to provide a play based learning environment for pre-school children in the Ballyholland area.

The aim is to advance the education of the children by providing them with safe and satisfying group play, promote the preservation of health of the children and for the parents/carers to take responsibility for and to become involved in the activities of the playgroup.

Summary of main activities

The core activities of Rascals 'N' Ruffians are to provide the children with a variety of challenging age-appropriate play based activities and other experiences in a stimulating environment. The focus is to allow children to learn at their own pace, be able to cope with uncertainty and to learn through trial and error. All planned activities are designed to address the 6 areas of the curriculum as follows:

- Personal, social and emotional development
- Language development
- Physical development and movement
- The arts
- Early mathematical experiences
- The world around us

Achievements and performance

Numbers

- The playgroup is permitted to have a maximum of 26 children attend playgroup on a daily basis. These 26 places are currently funded by the Education Authority Pre-School Education Group (PEG). For the academic year ending June 2022 there were 21 children and the academic year commencing September 2022, we had 25 preschool children in our playgroup, with an additional 2 non funded pre-preschool children that attended on separate days during the week.
- The pre-school education was provided to the pupils from Monday to Friday (9am to 12Noon)

A high-quality learning experience

Rascals 'N' Ruffians have provided a consistently high-quality learning experience for the students.

- We are inspected by Southern Health and Social Care Trust – Early Years Team on an annual basis. In the most recent inspection in June 2021, the setting was commended in how they utilise the outdoor space and resources for play activities. It was also recognised how the setting had done it's utmost to risk assess and implement necessary practices to keep children safe during COVID 19 pandemic without their learning experiences being effected.
- In our most recent Education Training Inspectorate (ETI) report in 2014, our performance was deemed outstanding in all categories.
- We provide a varied weekly plan for age-appropriate play-based activities for all children to address the 6 areas of the curriculum
- In normal times we employ one part-time playgroup leader, one part-time playgroup deputy leader and two part-time playgroup assistants with the appropriate childcare qualifications.
- In the academic year 2022 to 2023 we employed one part-time playgroup leader, one part-time playgroup deputy leader and two part-time playgroup assistants. We employed on an occasional basis until March 2023 an additional assistant who provided one-to-one support to a child with additional needs through our Engage funding.
