BREAK THE RULES (November)

£1,042.65

Event run by teachers. PTA made flyers

CHRISTMAS CARDS (November)

£850.40

PTA organised the delivery of the cards to school. Some were sent completed in school. Need to push in all classes next year and pro completed in school.

MOVIE DAY (December)

£930.40

This event was very time consuming to organise. Feed back mi to try something different next year eg non-uniform day.

Monday 24th September 2018

FESTIVE FUN IN SCHOOL (December)

£347.30

- Name the Elf
- Reindeer food & poo

This was time consuming to organise and run however the kids all seemed to enjoy the buzz. Next year we need to ensure that all kids have an opportunity to take part. This year we ended up taking the stuff around the school which took far too long. A suggestion may be for a table at the back of the assembly hall. The kids can then be sent down in classes to participate. Maybe try and arrange for p7s to take it around the junior school??

BALLOT (December)

£3,231.00

This was really successful this year. We had great prizes donated from local businesses.

To run ballot:

- Compose letter
- PTA members each took 5 letters and personally distributed them & collected any prizes
- Ticket books printed once top 5 prizes were decided
- Sent home prize list with a ballot book. 1 per child. Tickets also sold at all school events in December.
- Ballot drawn in school
- Thank you letters sent to each business

COPPER CHALLENGE (January- April)

£978.90

Money collected in jars in classrooms & prize given to class that raised the most. Generally well supported. Next time, money should be lodged when tubs are full to avoid the need to lodge 21 jars at a time.

Monday 24th September 2018

SCHOOL FUND (February)

This was not run by PTA however cheques were made payable to PTA as we are a charity. The cheques were only passed to the PTA from school in May and this meant that two bounced resulting in an unnecessary bank charge of £30 paid out of the PTA account. Next year it would be better to have all cheques lodged ASAP.

DISCO (March)

£1,813.40 door/ tuck shop

PTA made up bags for the P1's & P2's. Probably easier to give the younger children an empty and and a reduced choice of tuck.

PROMS IN THE PLAYGROUND (April)

£4,103.18

This event was brilliant!! Atmosphere was great. Kids had a blast and it was the only event this year when the entire school were together.

This was a school led event. Only thing PTA organised were the ice lollies for the children and balloons for the stage. Location Electrics provided the stage and sound system.

SPORTS DAY (June)

£571.97

PTA arranged for Mulhollands to provide a BBQ (15% profits to PTA)

PTA had a tuck shop running throughout the day. Tea & coffee were available.

The sound system / music were a great addition this year provided by Location Electrics.

Monday 24th September 2018

FUN RUN (June)

£118.80

75 people

An annual event that we make a small profit on. It was great to see a couple of the teachers taking part.

SUMMER FAIR (June)

£5,476.76

This was a great event. We were lucky with the weather. The event was run by a sub committee given the amount of planning required. The sub committee consisted of 8 people. Planning began in March.

Entrance needs to be manned closer to the gates and from slightly before opening time.

New additions this year: the ice cream van, the balloons in the car, the army & ten pin bowling. Burns soccer provided a coach for the penalty shoot out. Large screen was provided for the World Cup match & sound system was provided by Location Electrics.

Kids weren't keen on the basket ball game.

Need to rethink the layout for next year as army truck was unable to fit in the front playground.

Mulhollands was very popular once again and sold out. Queues were very long. Halal meat was available on request. Quite a lot of halal meat left over. No halal meat used on sports day.

OTHER

Pending £248.78 Family fund money

CASH FOR CLOBBER

£867.20

Monday 24th September 2018

Over the year 2108 idea of clothes was great. Unfortunately we didn't get the price of £1,000. The competition is running again this year so we need a big monthly push.

BUDDY BENCHES (December)

PTA organised for the purchase of 4 Buddy Benches for the playgrounds. Paddy Wallace came to school when they were delivered. It would be good if school could hold an assembly to explain the reason behind the benches.

TEA & COFFEE

At each school event free tea and coffee was served. People were happy to give a small donation. £130 donations received during p2 play.

EXPENDITURE

- Two safety banners
- Sports day badges and stickers
- P7 leavers t-shirts, books & pens
- P7 activity day in Wallace park. Next year this event needs to be booked well in advance and not the week before as it was difficult to coordinate everybody's availability
- Other expenses incurred during to year to run in events
- ~~£1,000.00~~
