Charity no: NIC100484

History

Portrush community Playgroup is a registered charity and has been in operation since 1972. We are a cross community organization, have 4 members of staff and a Parent's management committee, who are responsible for making decisions about the group. Portrush Community Playgroup is governed by a constitution that was amended and adopted on 12th October 2017. Our playgroup can cater for up to 24 children aged between 3-5 years in a pre school morning and a pre-pre school afternoon session. We are based in a porta cabin within the grounds of the local Primary School. The property is leased from Portrush Primary School and no fees other than legal fees for contract renewals etc occur.

Aims and Approach

Portrush Community Playgroup aims to advance the education of young children through the provision of an appropriate, safe and satisfying programme of play and activities, which meet the requirements of the Department of Education's Curriculum. Our Admissions Policy states that 'Portrush Community Playgroup welcomes every family in the community irrespective of social class, religion, race, culture, disabilities and special educational needs.' We provide access for all children to a broad and balanced child-led curricular experience, which is tailored to the learning needs of each individual child. We believe 'interaction and play are the main channels through which children learn and develop'. We operate a High Scope approach – High Scope is an approach to learning derived from development principles. Its mission is to work as advocates for children and families through active participatory learning which will empower children and adults to develop their potential and contribute meaningfully as citizens. We believe that children learn best when they are engaged in planning, carrying out and reflecting on their experiences. We are the only setting locally currently offering this Highscope approach and this shows how the Playgroup is benefitting children and families in the local area.

We are inspected annually by the Health and Social Care Trust to ensure we meet the requirements set out in the minimum standards. The Department of Education also carry out an inspection which can be viewed by the general public.
