Annual Report for the year ended 30th June 2024

The trustees of Friends of Ashfield Girls' High School are pleased to submit their report and accounts for the period 1 July 2023 to 30 June 2024.

Achievements and Performance

- Easter Fair not held in 2024;
- Easy Fundraising and Amazon online was able to raise a slight additional income;

Friends of Ashfield Girls' High School were accepted as a registered charity on the 1st September 2014.

Meeting Programme

The groups programme is to meet monthly, and this contributes to the successful raising of funds. We have been meeting on either Tuesdays or Wednesday evenings to hopefully be accessible to as many parents as possible.

During these evenings, we discuss planned events and gather further ideas for future activities or needs for help within the school.

Our aim and purpose for our group is to raise funds.

The Friends of Ashfield team help at the schools' open nights and the year 8 induction afternoon. So, no matter how small the contribution seems, it is needed and greatly appreciated.

We have had difficulty in arranging meeting post-covid period and this has impacted on the activities we have been able to arrange from 2021 to date. Sadly, cancelling Christmas Fairs from 2022 onwards and the annual Year 8 event in June. We were unable to arrange the Spring Event (Easter Fair) in 2024 to raise funds for the school.

Membership

Membership has been falling and the team remains small, with around 7/8 members attending on meeting nights. Yet, we continue to strive to grow the number of members, and the purpose remains as the advancement of education to all girls in the school.

We have previously had very successful Christmas and Easter Fair's held in the school, not only raising funds for ourselves but bringing many visitors into the school to see a variety of gift ideas, arts and crafts.

We are thankful to the teacher representatives on the committee, especially Beverley Cripps.

Financial Review

Financial performance in the year to 30th June 2024 has been consistent with expectations of members.

The year ended with a general and sole fund balance of £615.75, compared to £752.46 for the same period last year.

Income

Income receipts for the year totaled £16.29, greatly down as events such as the Easter Fair was unable to go ahead. We received a small contribution of £16.29 from Easy Fundraising / Amazon.

We would like to take this opportunity to remind our members and supporters how easy it is to support our work when shopping on-line – from high street names to specialist shops – available on EasyFundraising or Amazon; and the best bit is your shopping doesn't cost you a penny more!

Expenditure

Expenditure for the year totaled £153; this is down on previous periods as we haven't had the likes of quiz nights to generate more income to then donate to the school.

It is important to note that all funds raised, goes back to the school, with the purchasing of additional equipment or donations. Insurance is increasing year on year through PTA now at £153 for the annual cover.

Stock

As of 30th June 2024, no stock is held.

Funds materially in Deficit

As of 30th June 2024, there are no funds in material deficit.

Major Risks

No major risk is to be reported.

This report was approved and adopted by the committee and signed of their behalf.
