

## Report 2015/16

We feel we have had a very successful year and have made a positive impact for the pupils and staff. A major boost to this years fundraising was being the 2015/16 charity for Greenisland Golf Club. .

A quick review of the year:-

**September** – We kicked off the year with a bag pack at ASDA Ballyclare. This is becoming an annual event and is a great way to raise money. The grand total this year was £1087

**October** - In October we took part in the spend for schools promotion at the Abbeycentre. Customers presented purchase receipts and were able to vote for their favourite school with tokens. Despite a concerted effort to promote this we didn't win a prize.

**December** – We organised a dedicated screening of the Good Dinosaur at Glengormley Cinema, a great time was had by all. We also had a Christmas ballot with great prizes organised and we managed to raise £364.

**March** We ended this month with a visit to the Playzone at the valley leisure

**May** – We felt that the events we were organising were more geared to the younger children so we organised a trip to 10 Pin Bowling in Glengormley for the senior school. A great turnout and a great time had by all. We will definitely look at making this an annual event.

Our main focus throughout 2015/16 was the new playground project. Rosstulla's playground facilities are in poor repair and the facilities for the older children are virtually non-existent. We have engaged with contractors and completed a procurement process and selected a supplier. We are now embarking on a major fundraising initiative to finance this major project.

We would like to express our gratitude to Greenisland Golf Club who worked tirelessly through the year and the highlight was a charity golf day in June. A total of £4120 was raised and this will be the first deposit in the new account for the playground fund
