The purpose of our PTFA is to improve relationships between home and school.

The benefit which flows from this purpose includes funding for additional resources for the school and links built with the local community.

This is demonstrated through having an active PTFA that works in partnership with the school and engages parental support.

The benefit is for children at St. Aidan's High school.

This is demonstrated through pupils having access to resources, events, activities and links with the local community which are not available through direct school funding.

Charity trustees (PTFA committee members) are usually also parents and or teachers at the school which their children attend and hence gain benefit in the same way as all other beneficiaries. This benefit is incidental and necessary to ensure the benefit is provided to all beneficiaries.

This year fund raising events:

Street Collection

We supplied prizes for Halloween Activity

We purchased Equipment for the Art Department

We hosted the Christmas Craft Fair & Santa.

We purchased Tarmac for the school grounds.

We donated to St Vincent De Paul Charity.

St Aidan's PTFA has due regards for Charity Commission Public benefit requirement.
