Objectives and activities

Dungannon Youth for Christ was formed in 1996 with the aim of engaging marginalised young people in the local community. Since then, the charity has worked to meet the needs of local young people through various programmes held at the drop-in centre, in local schools and in the community. The mission statement of the charity reflects the holistic approach to the work as the charity aims to: "enable the young people of Dungannon to experience, share and be transformed by the love of God, reaching their full potential; physically, emotionally, educationally and spiritually." Through its work, the charity aims to engage young people in every area of life in which they need support and help, in order to see them reach their full potential.

The charity also aims to develop and maintain local partnerships, including local churches, to see the lives of young people in Dungannon transformed. The aims and objectives of Dungannon Youth for Christ remain unchanged for the year ahead.

Public benefit

Public benefit is achieved through giving young people the opportunity to develop and grow in a personal faith in Jesus Christ as they attend the drop in centre, events or meetings. The benefits are evidenced by feedback from the young people, changes in lifestyle and increased participation in local churches. The charity's beneficiaries are the children and young people of the wider Dungannon area.

The trustees confirm that they have had due regard to guidance produced by the Charity Commission and that the charity continues to meet the public benefit requirement. The trustees have read sections 32, 33 and 34 of the Charities (Accounts and Reports) Regulations 2015 and confirm the charity trustees have complied with the duty to have regard to the guidance issued by the Commission under section 4(b)' (the public benefit requirement statutory guidance) to ensure that the activities have helped to achieve the charity's purposes and provide a benefit to the beneficiaries.

Achievements and performance

During 2022-23 the Board and volunteers at Dungannon Youth for Christ have continued to run weekly drop-in sessions for up to 20 young people. Activities included table tennis, pool, computer games, board games, crafts, sports and a wide variety of games in addition to a Bible epilogue each evening. This year we have focused on several topics including: If you could ask God one question, what would it be? Encounters with Jesus and Miracles of Jesus. Special activity nights were a hit, especially when they involved food – e.g. Pancake Party and a Bake-off night.

In June the DYFC young people joined with a local youth group for a camp out at Light and Life Christian Centre. This was a wonderful time of fun and games, food and fellowship with a great teaching and praise session as a highlight of the Saturday evening. Every young person received a gift bag at the end with a New Testament, some Bible reading notes and some tasty treats.

The recruitment of a full-time worker was also a key focus during the year and Dungannon Youth for Christ is pleased to have appointed a Youth Development Lead to further develop the Drop In ministry and restart our schools and outreach work. We are grateful to God for His provision. We pray that DYFC will continue to reach more young people, develop new activities and programmes, increase its impact and glorify God in Dungannon and further afield.

Statement of trustees' responsibilities

The trustees are responsible for preparing the annual report and the accounts in accordance with applicable law and regulations.

The trustees are responsible for preparing the accounts for each financial year which give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing those accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis, unless it is inappropriate to presume that the charity will continue in business, in which case there should be supporting assumptions or qualifications as necessary.

The trustees confirm that they have complied with the above requirements in preparing the accounts. The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the SORP and the Charities Act (Northern Ireland) 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
