Statement of Compliance

In deciding upon and planning our activities for the year, the Trustees have given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities have helped to achieve our Charity's purposes and provide a benefit to the beneficiaries.

The direct benefits which result from providing a home for orphaned children include improved health and reduced levels of stress and anxiety. In addition, the children are provided with an education which would not otherwise have been the case as evidenced through feedback and numbers attending.

Our main sources of funds this year have been our monthly donations while payments out have been for such items as school fees, food, clothes, mattresses, bed linen, water storage facilities etc. Gift Aid is sought for relevant donations. In 2023 donations amounted to £8,436 (2022: £20,795) and unrestricted reserves at the year end were £1,058 (2022: £6,207)
