### Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2025

---

#### Structure, governance and management

##### *Governing Document*

Advice Space is a company limited by guarantee governed by its Memorandum and Articles of Association dated 2018. Advice Space is a registered charity with the Charity Commission for Northern Ireland. Advice Space is a membership organisation with each trustee agreeing to contribute £1 in the event of the charity winding up.

##### *Appointment of Trustees*

The Chairperson and the trustees recruit and select new trustees as needed. New trustees are recruited on the relevance of their professional skills, and their potential to be able to make a helpful contribution to the governance of the charity. As part of the recruitment process they are made aware of a trustees' legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision making processes, the business plan and recent financial performance of the charity.

##### *Trustee induction and training*

All trustees undertake a 2-stage formal induction process involving meeting with the Chair and/or the CEO to learn about the operational and key governance aspects of Advice Space, meeting some of the staff team and prior to formal election the opportunity to attend a Trustee Board meeting as an invited guest. This process allows the incoming Trustee and Advice Space to determine suitability to take up a Trustee role. Once elected all trustees are offered membership of CO3 and where agreed can then receive training on relevant aspects of governance and have the opportunity to network with colleagues across the charitable and voluntary network across the term of tenure.

##### *Arrangements for setting pay and remuneration of key management personnel*

The charity's trustees, and the senior management team comprise the key management personnel of the charity in charge of directing and controlling, running and operating the charity on a day-to-day basis. All trustees give of their time freely and no trustee received remuneration in the year. The pay of the senior staff is reviewed annually and is considered as part of the organisational salary review process. In view of the nature of the charity, the trustees benchmark against pay levels in other similar size charities run on a voluntary basis.

##### *Organisation structure and how charity makes decisions*

The Board of trustees administer the charity. A Chief Executive is appointed by the trustees to manage the day-to-day operations of the charity. To facilitate effective operations, the Chief Executive has delegated authority, within terms of delegation approved by the trustees, for operational matters including finance, employment and direct charitable activities.

##### *Relationships with related parties*

None of the trustees receive remuneration or other benefit from their work with Advice Space.

##### *Risk Management*

The Trustees have a risk management strategy which comprises:

# Advice Space

## Company Limited by Guarantee

### Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

#### Year ended 31 March 2025

---

- the establishment of policies, systems and procedures to identify, control and mitigate risks;
- an annual review of the principal risks and uncertainties that the charity faces; and
- the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

#### **Objectives and activities**

The purposes of the charity are: to promote any charitable purpose for the benefit of the community in Northern Ireland by the advancement of education, the protection and preservation of health and the relief of poverty, sickness and distress.

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit.

The charity's aims and objectives for the period 2024-29 identified in the Strategic Plan are centred on the following:

- Improving lives and promoting well-being by helping more people in our community to exercise their rights and obtain fair treatment under the law;
- Delivering an independent high-quality comprehensive welfare rights service which includes working collaboratively with trusted partners;
- Using evidence to inform and influence positive change;
- Being recognised as highly motivated, reliable and trusted experts;
- Ensuring effective governance;
- Ensuring the charity has appropriate accommodation that meets organisational need;
- Achieving Financial Sustainability.

Our services are negotiated and organised in line with our original purpose and we partner with other organisations whereby our mission and purpose are closely aligned.

Our services also operate through volunteer involvement both at trustee, administrative and frontline advice levels.

#### **Achievements and performance**

The organisation has achieved the award of Investing in Volunteers.

During the reporting period 2024/25 a total of 31,156 contacts were recorded as made with the service generating 108,291 queries that they needed assistance with.

Financial gains secured by advisers on behalf of clients that returned to advise Advice Space during the reporting period amounted to £7,846,156.

# Advice Space

## Company Limited by Guarantee

### Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

#### Year ended 31 March 2025

---

##### **Financial review**

The annual accounts for the year ended 31 March 2025 show total income of £1,174,535; total expenditure of £1,183,996 and a deficit for the year of £1,373. The Board of trustees continue to exercise tight control over expenditure and the current level of reserves places Advice Space on a solid financial footing going forward.

##### ***Reserves policy and going concern***

Reserves are needed to bridge the timing gap between spending and receiving of income and to cover unplanned temporary shortfalls in income should they arise and also to provide contingency for sound financial planning assumptions. Holding adequate reserves safeguards the provision of our services in the event of unexpected significant financial pressures. The trustees consider that the ideal level of reserves would be at least 3 months' expenditure based on the current budget; an amount to cover statutory redundancy and pay-in-lieu awards in the event of an unforeseen winding up and some provision for in-year unforeseen expenditure. Advice Space reserves policy sets this out and demonstrates the current target level desired should be £549,066.

Unrestricted reserves at our year end freely available to spend, excluding fixed assets, restricted reserves and designated reserves amount to £539,982. The Board are pleased with the progress that has been made to ensure the target reserves level is met. The trustees believe this represents a sufficient level of reserve to ensure that the going concern assumption is appropriate and continues to monitor this on a regular basis and review the policy annually.

##### **Plans for future periods**

Advice Space has developed and approved a new Income Generation Strategy in order to support the organisational Strategic Plan for the period 2024-29 and annual budgets and continues to monitor income levels.

During the 2024-25 financial year the organisation also agreed to invest an agreed level of funds via Evelyn Partners in order to generate higher returns on funds not immediately required for operational day-to-day usage and presently the trustees do not foresee any material impact on future revenues.

##### **Trustees' responsibilities statement**

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

## Advice Space

### Company Limited by Guarantee

### Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

#### Year ended 31 March 2025

---

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

#### Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 14 October 2025 and signed on behalf of the board of trustees by:

C Trotter  
Trustee

P McCartan

### Independent Auditor's Report to the Members of Advice Space

Year ended 31 March 2025

---

#### Opinion

We have audited the financial statements of Advice Space (the 'charity') for the year ended 31 March 2025 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 27 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

## Company Limited by Guarantee

### Independent Auditor's Report to the Members of Advice Space *(continued)*

**Year ended 31 March 2025**

---

#### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

## **Advice Space**

### **Company Limited by Guarantee**

#### **Independent Auditor's Report to the Members of Advice Space *(continued)***

**Year ended 31 March 2025**

---

##### **Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

##### **Auditor's responsibilities for the audit of the financial statements**

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Financial Reporting Council's (FRC's) Ethical Standard for Auditors', in the circumstances set out in note 27 to the financial statements.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### Independent Auditor's Report to the Members of Advice Space *(continued)*

Year ended 31 March 2025

---

As explained more fully in the Trustees' Responsibilities Statement (set out on page 4-5), the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Financial Reporting Council's (FRC's) Ethical Standard for Auditors', in the circumstances set out in note 27 to the financial statements.

#### Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

## Company Limited by Guarantee

### Notes to the Financial Statements

Year ended 31 March 2025

---

#### 1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The address of the registered office is Merrion Business Centre, 58 Howard Street, Belfast, BT1 6JP.

#### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

#### 3. Accounting policies

##### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

##### Going concern

There are no material uncertainties about the charity's ability to continue.

##### Judgements and key sources of estimation uncertainty

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

##### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

# Advice Space

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

#### Year ended 31 March 2025

---

#### 3. Accounting policies *(continued)*

##### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

##### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

# Advice Space

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

#### Year ended 31 March 2025

---

#### 3. Accounting policies *(continued)*

##### Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

##### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	- 4% straight line
Equipment	- 20% straight line

##### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

##### Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

## Advice Space

### Company Limited by Guarantee

#### Notes to the Financial Statements *(continued)*

#### Year ended 31 March 2025

---

#### 3. Accounting policies *(continued)*

##### Financial instruments *(continued)*

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

##### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

#### 4. Limited by guarantee

Each of the members of the company has guaranteed to contribute to the assets of the company in the event of the same being wound up to the extent of £1.
