

Kilmacormick Community Association 35, Yoan Road Enniskillen BT74 6EL

Annual General Meeting 10th April 2023, 35, Yoan Road at 7.30pm

The Chairperson, Mrs E. Mc Manus confirmed that a quorum was present and declared the meeting open. She welcomed those attending commenting on a relatively poor turnout following Covid but commenced with the meeting. .

Matters Arising

Since the previous AGM and the challenges of dealing with a return to 'normality' following Covid and its aftermath we continue to deal with community issues. NIHE have completed a number of ECM schemes within the estate and these have been in the main successful. A roof replacement, insulation and replacement of guttering scheme is due to commence in early 2022. The contractor will be using the green area adjacent to the Resource Centre as a base. Meetings are still being held via zoom and the Patch Manager for the estate is in contact with the group. There are still issues with outstanding repairs in the Centre and these will hopefully be resolved.

We have continued to be represented on various forums although zoom meetings are not a popular medium with any of us.

We continue to be assisted by Supporting Communities and DfC Neighbourhood Renewal Co- Ordinator.

Meetings of the Neighbourhood Renewal Partnership are attended via zoom by M.Haggins who also attends sub group meetings.

The Association is represented on Devenish Partnership Forum and Northwest Inter-Agency Forum.

Treasurers Report

Presented to the meeting with no outstanding issues. The rising costs of Electricity and Oil have been recognised while the overall problems with our heating system remain unsolved. We have purchased some new equipment and all our insurance etc is up to date.

Report proposed by L.Somers seconded by M.Haggins

Election of Officers

S.Kettyles took the chair for the Election of Officers:

It was proposed and agreed that the current office bearers be returned en bloc for the coming year as it was felt that this would serve the group better given the outstanding issues.

The present committee members agreed to remain and were elected en bloc on proposal of M.Haggins, seconded by E.Mc Manus.

S.Kettyles vacated the chair and the meeting resumed.

Any Other Business

Discussions followed regarding the poor attendance at meetings and the apparent lack of interest from within the area. This could be the result of the fact that volunteering for community groups is viewed as a waste of time as nothing appears to be happening. It was agreed that this would be looked at throughout the coming months and whatever action needed would be taken.

Mrs Mc Manus again thanked everyone for attending.

The meeting concluded with tea at 8.45pm
