

- March was a speaker from the Heritage library situated at library H.Q. on the Newry Rd in Armagh. They keep copies of most of the local Newspapers going back decades. Great for doing a bit of research into the past.
- April was the last meeting of the Club year. Again, we had a soup lunch organised by the committee.

After the Lunch we had Gwen Bartley from A.B.C. Council talk on driving for the mature motorist. Topics covered included how to apply for a Blue Badge etc.

- As stated above we received a grant from A.B.C. Council re the Queens Jubilee for £400.
- Once again I would like to thank C.A.C.D. staff Markethill for all their help and advice throughout the year.
- Finally, a big word of thanks to all of the committee who work for the benefit of the Association and particularly those who work closely with the Wednesday Club.

Ladies and Gentlemen, it gives me great pleasure to present this report.

Ivan White- Chair, Tannagh Hill Rural Development Association. Tuesday 16th May 2023.
