Charity Purpose:

The advancement of education for children in school (aged 4 – 11) demonstrated through pupils having access to resources, events, activities and links with the local community which are not available through direct school funding.

Public benefits

To improve relationships between home and Enniskillen Model Primary School. The benefit which flows from this purpose includes funding for additional resources for the school and links built with the local community. This is demonstrated through having an active PTA that works in partnership with the school and engages parental support. This purpose does not lead to harm. The benefit is for children at Enniskillen Model Primary school. Charity trustees (PTA committee members) are also parents at the school where their children attend and hence gain benefit in the same way as all other beneficiaries. This benefit is incidental and necessary to ensure the benefit is provided to all beneficiaries. We have had regard to the Commission's guidance on public benefit.
