**Trustees' report  
for the year ended 31 March 2023**

The Trustees present their annual report and the unaudited financial statements for the year ended 31 March 2023.

The information with respect to the Trustees and Advisers set out on page 1 form part of this report. The financial statements comply with current statutory requirements, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

**Structure, Governance and Management**

Pig ReGen Limited is a charitable company limited by guarantee with no share capital. It is governed by its Memorandum and Articles of Association. The Board of Trustees are also the directors of the charitable company.

The assets and undertakings of the Pig Production Development Fund and PIG Industry Genetics Limited were transferred to Pig ReGen Limited on 1 April 2008 under the Pig Production Development Committee (Winding up) Order (Northern Ireland) 2007.

**Risk Management**

A risk policy and a risk register have been agreed. Under the policy the board reviews annually the major risks to which the charity is subject and how to manage them. A key element in the management of the financial risk is the setting of a reserves policy and its regular review by the trustees.

**Objectives and Principal Activities**

The principal activity of Pig ReGen Limited is to advance education for the public benefit, in particular, by conducting and commissioning research and surveys into the improvement and development of pigs, pork and pig farming in Northern Ireland and to disseminate and publish useful results of such research and surveys.

**Review of Operations and Future Developments**

The charity is dependant on the goodwill of its voluntary levy funders, Northern Ireland pig producers. Given this, the trustees have put in place a range of systems to try to ensure appropriate research projects are committed, that research findings are fully and innovatively disseminated and that feedback and engagement is sought.

All projects are approved by the trustees before moneys are allocated to any project and no grant is approved until finances are fully in place to complete the contracted project.

**Trustees' report  
for the year ended 31 March 2023 - cont'd**

**Review of Operations and Future Development**

The projects supported by Pig ReGen Ltd continue to fall into the following board categories:

1. Improving health and welfare of the NI pig herd.
2. Research into improving efficiency and competitiveness of NI producers.
3. Education.

**Health and Welfare**

Because of the continued situation and complications as a results of Covid regulations our vets had only limited access to factories, however two surveys were completed and circulated among producers. The PRRS project referred to in the previous report is almost completed. A meeting was held with producers to update results in November and a very successful evening seminar open to producers and others with associated interest. Presentations were given by Zoom from Denmark where similar work is being carried out by Boehringer specialist in PRRS and its effects on general health and welfare of pigs.

**Research**

The 3 year research project with AFBI into factors affecting quantity and quality of colostrum produced by sows post farrowing colostrum is continuing although results are not yet available.

**Education**

Due to COVID-19 Regulations all meetings both management and producer were restricted to Zoom meetings and telephone conversations. Educational information was circulated among producers by email.

The Directors are satisfied that the activities of Pig ReGen Limited accurately reflect the aims of the charity.

**Trustees' report  
for the year ended 31 March 2023 - cont'd**

**Key Performance Indicators**

Given the straightforward nature of the business, the company's trustees are of the opinion that analysis using KPI's is not necessary for an understanding of the development, performance or position of the company.

**Reserves Policy**

The trustees have established a policy whereby the company's free reserves, being funds not committed to third parties for research, should represent at least six months' annual income. At this level the trustees are of the view that the company would be able to continue in the event of a significant drop in funding.

**Organisation**

The Board of Trustees meets at least 4 times per year.

The Chairman, Vice-Chairman and Company secretary meet frequently to review the day to day operation and governance of the organisation.

**Trustees**

The trustees who served during the year are listed on page 1.

The Articles of Association indicate that any reference to "the trustees" means the Directors of the charity. The trustees of the company during the year to 31 March 2023 all of whom have been Trustees for the whole year ended on that date otherwise stated are listed on page 1.

The trustees act in a voluntary capacity and do not receive any remuneration.

**Trustees' report  
for the year ended 31 March 2023 - cont'd**

**Appointment of Trustees**

The number of trustees shall not be less than 8 or exceed 24.

Subject to this the board shall include certain persons who fall into the following categories:-

- Three farmers with more than 600 sows;
- Three farmers with 250-600 sows;
- Three farmers with less than 250 sows; and
- One UFU Central Pork and Bacon Committee representative.

**Trustees Induction and Training**

New trustees have an induction briefing from the chairman and or company secretary which provides information and guidelines on their tasks and responsibilities together with an outline of the objectives of Pig ReGen Ltd. They also receive copies of past trustee minutes and approved research proposals.

**Results**

The net incoming resources for the financial year were £17,848 (2022; incoming resources of £56,024), yielding total funds at the end of the year amounting to £1,446,669 (2022; £1,428,821).

**Governance and Internal Control**

The trustees have an overall responsibility for ensuring that there is an appropriate system of internal controls and that it complies with relevant laws and regulations. The system of internal controls is designed to provide reasonable, but not absolute, assurance against material misstatement or loss. Key features of the system are an annual budget approved by the trustees, regular consideration by the trustees of financial results, variance from budgets, other performance indicators and benchmarking reviews, delegation of authority and segregation of duties and the identification, review and management of strategic business and operational risks.

**Trustees' report  
for the year ended 31 March 2023 - cont'd**

**Statement of trustees' responsibilities**

The trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Practice).

Company law requires the trustees to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the company for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departure disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees confirm that they have complied with the above requirements in preparing the financial statements.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Small Company Exemption**

This report has been prepared in accordance with the special provisions of part 15 of the Companies Act 2006 relating to small companies.

**Respective responsibilities of directors and examiner**

Having satisfied ourselves that the charity is not subject to audit under company law, and is eligible for independent examination, it is our responsibility to:

- examine the accounts under section 65 of the Charities Act (Northern Ireland) 2008;

It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

Our role is to state whether any material matters have come to my attention giving us cause to believe:

1. That accounting records were not kept in accordance with section 386 of the Companies Act 2006
2. That the accounts do not accord with those accounting records.
3. That the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.
4. That there is further information needed for a proper understanding of the accounts to be reached.

**Independent examiner's statement**

We have completed our examination and have no concerns in respect of matters 1 to 4 listed above and, in connection with following the directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention. We have not carried out an audit.
