Public Benefit statement: see below.

1. Sunday gatherings continued throughout the year with many services being conducted by our own members. These are organised to promote Christian values and increase Bible knowledge throughout the Toomebridge area. The coronavirus pandemic resulted in missing some meetings, whilst others had to be conducted online.
2. Friendship evangelism visits were carried out to a number of local homes. Support for local families was also provided at Christmas time through the provision of food hampers to needy families.
3. Transport for medical and legal appointments has been provided for those who do not possess means to travel to such appointments.
4. Food was collected and distributed to local needy families, especially to single parent families.

5. We have a Children's club which meets on a Friday evening.

6. We continue to support students in the Philippines as well as sending clothes and other items.
