Re: Annual accounts for the period 01.04.22 – 31.03.23

I, Margaret Clark, have examined the accounts for the above organisation for the period shown above and confirm the following:

1. The accounts have been examined under section 65 of the Charities Act.
2. I have followed the general directions given by the Commission under section 65.
3. On examining the accounts nothing has come to my attention in the course of the examination and no concerns have been raised during the examination.
