**Objectives and Activities:**

CannyMan Community Arts (CMCA) established in June 2009 is a grassroots community organisation formed to develop and promote arts and culture for the inhabitants of Galbally, Cappagh and the surrounding areas. We provide an outlet for people of all ages, from differing religious backgrounds, ethnicities and abilities to develop and express themselves through the medium of music, arts, dance and drama.

**This year no events or activities were organised.**
