ACHIEVEMENTS AND PERFORMANCE

Our young people's activities has grown greatly after coved, we have had to divide our Mission 66 young people's night into three age groups. This runs from September to May. This includes games, epilogue and prayer, for all young people who wish to come. We run a Sunday School each Sunday for all ages, both organizations are very successful. We are finishing with a barbeque for all the young people.

We have reach out to all with the Gospel message, we very much encourage fellowship we meet and pray for each other and the province

and support unity. During the whole year we have fellowship and fun evenings for all ages and have just had our annual bus trip for all ages, which was very successful.

FELLOWSHIP EVENINGS

We have starts again supper from time to time after the evening service, this is a great way to have fellowship and getting to know each other. As I said in my last report there are ninety new houses already built beside the church and we hope to invite as many as possible to come and join us.

WORSHIP TEAM

We encourage our young people to be involved and some of them lead the worship in our church, our young people are very passionate about getting involved and we encourage that.

OUR VISION

We aim to continue to evangelise the area around us, to see young people off the streets and into the fellowship and having them to realise that there is more to life than drink and drugs, many already have come in and have come to faith in the lord Jesus, which have changed their lives completely.

There are many people in our town young and old, who are looking for help and want a change in their lives and it is our plan to reach as many as possible with this message. Many young people are so messed up and are crying out for help, and we hope to fill that gap during 2023/24
