FOR THE YEAR ENDED 31 MARCH 2023**

Objectives and Activities

The Trusts aims again this year have been to provide ongoing financial support to our team of 20 co-workers, working in three regions in Russia. Perm, Novosibirsk, and Altia. Due to many larger banks being sanctioned, payments to our team has not been without its many difficulties, but thankfully this year we again have been able to provide our co-workers with most of their funding. We are looking at new methods of providing them with their funding requirements.
