

Annual Report from Crawfordsburn Primary School PTA 2022-23

October 2022 – September 2023

Our PTA is made up of parents and staff from Crawfordsburn Primary School. We raise money to directly benefit our pupils and aid the teaching staff to deliver the curriculum. We involve the children in many of our activities, providing events they can participate alone in, or with their parents.

This year we:

- Held a very successful Autumn Fair with pumpkin carving, barbeque and games.
- Had a Christmas Movie afternoon with popcorn and juice.
- Christmas Jumper Day
- A 'Spring Hop' disco was organised in March.
- Easter Bonnet and Easter Decorating
- Ran an end of year BBQ and Treasure Hunt

With the funds raised from these ventures, we managed to:

- Pay for resources for teachers
- Contribute to the cost of the School Production
- Purchase Accelerated Reader Books

We feel the PTA events, and subsequent profit, have a positive impact on all the school community. We work as a team and it promotes our sense of belonging together, and benefitting the school community.

Signed

Dr G Walker

PTA President
