### **Our Local Community/ Public benefits:**

We aim people in all walks of life to live out their faith as part of our Church community through:

1. Holding Church services and public meetings for Praise, Worship, Bible teaching, Prayer, Healing and *Fellowship*

The regular Fellowship that involves worship, Prayer and Biblical teaching has given the Church an opportunity to discover and develop the individual gifts and talents and encouraged members involvement in the church.

Every Sundays, we start with Prayer and intercession for Ireland and Church. Our Worship Team start their close door prayer (we call it the green room) before start of the Worship Service.

At the start of the service, Announcements and site safety are given. Prayer is offered by our Pastor and or other Church leaders assigned by our Senior Pastor which includes Prayer for the church, our speaker of the day, individuals and other Special concerns or request from the members then followed by the conclusion of our Praise and worship song.

At times our Church service format is changed depending on the occasions that Arise, Example for the Mother's Day Sunday Celebration, we recognized all the Mothers and prepare something special for them before during or after service as a surprise.

Quarterly, we aim to invite speakers from other church to encourage us.

We occasionally conduct overnight Prayer meetings, Worship night (lead by our worship team), our regular Saturdays Worship workshop, our midweek Wednesdays prayer meetings and our Annual 21 Days Prayer and Fasting Session. (Commences at beginning of the year).

Music Team Practice and Teaching (usually every Saturdays).

2. *Providing activities, education and teaching for children and young people; For their Spiritual and Personal Development.*

We have committee Sunday School Teachers to provide Biblical Teachings and developed the children's social skills and help them be effective and productive in the society where they. Our Child Protection coordinator is making sure that Trainings of every Church Volunteers are updated in keeping with the Child Protection policy Last year, our Pastor's wife was invited to speak in the Event organized by the Friends International and in coordination with the connection our Senior Pastor to the UK Intercultural Ministries. Our Youth was involved in the said event and was encouraged to volunteer in their respective campus events.

3. Providing other facilities in the interests of social welfare which are in sympathy with the other aims and objects of improving the conditions of life for the persons for whom the facilities are primarily intended and who have need of such facilities by virtue of their youth, age, infirmity poverty or social and economic circumstances; In the past, we already accommodated two families who needs a place for the funeral wake for 3 days. We also offer our children hall and our kitchen for birthdays or other special occasions for our church members their significant others.

4. The recording of audio and audio-visual material and production and distribution of Christian literature and audio and audio-visual material; We utilise some special productions for special occasions. Sometimes the audio-visual materials are used to assist in some performances or presentations or teachings. Other times, the structured teaching materials either by books, audio or audio visuals are handed out for individual or small group Bible teachings. We also participate in distributing Christian literatures for our evangelism. We also provide church leaflets for the events of the church or other activities. Other times we create videos for encouragement to people to participate in Church.

5. The support and encouragement of Christians at home and overseas; Reaching out to others in need, since most of the church members are with long distance direct family members. We extend small gift to support parents or children that are hospitalized in the Philippines. Sometimes we also extend some Pastoral care and gift for those who are grieving. We also extend support to families undergoing social issues. We also helped those who experienced calamity in the Philippine through the Christian Churches. Within our community here, we help and support those who need help in moving houses. We also reached out to those in need by way of Pastoral visitations to Hospitals and Nursing Homes even those members who are unable to attend Church regularly, we also take time to visit and support our elderly members be taking them out for a meal or giving them time to spend a day out or treating them on their Special days.

6. Other activities incidental or conducive to the attainment and advancement of the said objects;

Provision of Pastoral care to those in the Church. We divided the Areas of outreach.

From Link 1 to Link 10. Each Leaders has designated Assistant Leaders.

The Leaders and Assistant Leaders of each Link group are responsible to assist our Senior Pastor in supporting the Church members and encourage them.

Our Senior Pastor and his wife support the Pastoral needs of the Church by taking responsibility over in the absence of the other Church Leaders. He oversees the affair of the Church and this has gained more support and encouragement from the Leaders and even members of the Church.

Because of the work demands of most of our Men in Church, they were able to Organize trips to Scotland, and other Europe holiday destinations for them mountain climbing. This helped boost our Men's bonding as well as their spiritual and physical well-being as they have morning and evening Bible studies before they spend their day out. We were able to give them some Pastoral care specially to those who have been struggling in their spiritual life.

Our women also had their prayer group and fellowship that supports other women in Church. Trips was also organized to help mothers have holiday breaks and spiritual upliftment as like the men, they have Bible Devotions day and night. Since our Youth have been divided into Young Adults ages 18-35, and teenagers From 12-17. Young Adults are led by our Senior Pastor wife every Tuesdays from home to home or other venues organized by the group. While our Teens are called 'JGENES' and they are led by one of our Young Adult. But both youth groups are supervised by our Senior Pastor and his wife.

7. Supporting the training and discipleship here and overseas.

The church aims to equip all members to finish Discipleship Training. So they can also be Nurtured and equipped to be training others. We provide materials or invite speakers or lecturers here and from the Philippines. Recently, we have invited a Pastor from England to help us for our Couples and our Youth by organizing special event in our Church and Hotel.

Recently, our Senior Pastor started opening Link 10 in Newry. Utilizing sport As an avenue to help them in their spiritual well-being.

8. Such other charitable acts and things as will (or will tend to) promote or encourage the Christian faith.

**Mission and Evangelism-** The dimension of our Mission is focus...JGC commits itself to intercessory prayers, development of servant-leaders, and compassionate-holistic approach to community service and outreach Mission extension through Parachurches and qualified Evangelical Churches in the Philippines. We would like others to discover what

Jesus is like through what they see in us -on what we say and do. As a Church, we Believe that God would have us pursue, by His Spirit and through His grace, that same ministry as the Lord Jesus Christ announced for Himself (Luke 4:18-19). We are continuing to support our mission connections like Compassion UK. Where we support two Children in their Education while pursuing their family to know Jesus as well. We endeavour to support financially or materially Churches, individuals or groups who are in same vision and mission in pursuant to our objectives. Our Senior Pastor has been involved in the UK Intercultural Ministries. He previously volunteered to help in the Seafarers Christian Friends Society. But

With the growing Church, he decided to focus on the Church but we often invite other Missionaries from the Seafarers Christian Friend Society to give a talk in the church to encourage our Church to continually support the Mission. We also extend Financial support to the Missionary and his family.

We also accept invitations from other Churches, either being a guest speaker or just support them financially, in manpower, in equipment or in other ways we can. Our Senior Pastor and his wife have been invited twice last year to speak in an event to build and Encourage Young Missionaries at Majestic theater- Organized by the Friends International Ministry in coordination with the UK Intercultural Ministries. We are invited again by the UK intercultural to have a short talk this 2<sup>nd</sup> of May 2024. We utilize our on-line account in the social media to promote and help people discover and can be a platform to be an encouragement to those who long for a Church.

### **Our Church Building.**

At present, The Church building has been fully paid and this has been a testament to the us, our Leaders and the Church members who has sacrificed and has been generous in their financial support. The presence of some of the people of the local community in the church and their memories of Childhood shared with us when they grew up in this Church, gives us the encouragement to know how the Church building itself is already a big impact to the local community thus giving us also the hope to value that legacy. Our present Church Attendance could be exceeding the capacity of the hall and we are hoping and praying for a bigger Church building in the future.

### **Our Spiritual Development and Fellowship.**

We have our Annual Strategic Team Meeting. Each Ministry Department are given the Chance to incorporate their Annual Plan to the Church Annual Activities. This planned program is formulated in the basis of the needs of the Church. But we also foresee incidental events that is anticipated by our external Operation Program Team.
