Trustees' Annual Report for the year ended 31 December 2023

Structure, Governance and Management

Governing Document

The Parish is administered in accordance with The Constitution of The Church of Ireland published by The General Synod of The Church of Ireland.

Recruitment and Appointment of Trustees

All members of the Church of Ireland who are 18 years or over and are either resident or have been accustomed members of the congregation for at least three months, and have subscribed to parish funds in such a way that they can ask for a receipt, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry.

A meeting of the general vestry, known as the Easter vestry, is held each year not earlier than twenty-seven days before, and not later than twenty days after, Easter Day. The general vestry meeting may not be held within the period from the Sunday next before Easter (Palm Sunday) to Easter Day (inclusive).

At that meeting the Rector appoints a Rector's Churchwarden for Holy Trinity and a Rector's Churchwarden for St Patrick's; he also appoints a Rector's Glebewarden. The general vestry elect a People's Churchwarden for Holy Trinity, a People's Churchwarden for St Patrick's and a People's Glebewarden. The general vestry also elect twelve members to serve on the select vestry, with the Rector, Churchwardens, Glebewardens and Curate Assistant. All members of select vestry are appointed as the charity trustees.

The select vestry, chaired by the Rector, is responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

Trustees do not receive remuneration, reward or other private benefit for carrying out their Trustee responsibility.

Objectives & Activities

The charitable purpose of the Church of Ireland is the advancement of religion. The principal function of Seapattrick Parish is to support the advancement of the Christian religion by promoting, through the work of Seapattrick Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Seapattrick Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of Seapattrick Parish.

Trustees' Annual Report for the year ended 31 December 2023

Objectives & Activities (continued)

In setting our objectives and planning our activities for the year the Select Vestry have given careful consideration to The Charity Commission for Northern Ireland's Public Benefit Requirement statutory guidance to ensure that the activities have helped to achieve the charity's purpose and to provide a benefit to the beneficiaries.

Beneficiaries of both the primary and secondary charitable purposes are the general public and no harm flows from its purposes. Any private benefit arising out of the fulfilment of our Christian ministry or to lay staff is essential to the fulfilment to the purpose of the advancement of religion, but is purely incidental to the purposes of our work.

Achievements & Performance

Our mission statement; 'Growing in God's Love and Sharing it with Others' underpins all that the Parish seeks to be and to do. We want to be a place where people come to faith and grow in faith as we show and share God's love to all those in the surrounding community – seeking to be the Church at the heart of Banbridge and Seapatrick.

We offer a range of services on Sundays, throughout the week and over the course of the year, some following traditional format and others are of a more contemporary style. All are welcome to attend our services.

We also provide weekly, monthly and annual programmes and activities for people of all ages. These include, Sunday Space/School, Creche, Inspire - Youth Fellowship, Ready, Steady, Go! - Kids Club, Drop-In for those of secondary school age, Parents & Toddlers, Rhyme & Bounce, Tots Get-Together, Who Let the Dads Out?, Connect Groups, Choir, CAP Lifeskills, Scouts and Guides, Men's Football, Bowling Club, Knitting and Crochet Group, Mothers' Union, Ladies' Guild. We also run Alpha Courses and other prayer and outreach initiatives. We have an annual Fete in June, a Community BBQ and Fun Evening in September and a Candle-light Carol Service in December.

We continue to invest resources and staff time into community engagement programmes, including establishing a Christians Against Poverty Centre, a Baby Basics initiative and a number of community-based youth initiatives.

These programmes and activities provide an opportunity for people to come together, enjoy each other's company and relax in a friendly environment, to develop and enrich friendships, to build community and a sense of belonging. They provide opportunities for people to come to faith, grow in faith and be encouraged to live out their faith in daily life through the power of the Holy Spirit.

We also provide pastoral care and support to people of all ages and at all seasons of life, especially in times of illness, bereavement, challenge or distress.

Mission and outreach are central to our life and existence. We engage with a wide range of people through a variety of activities in order to reveal God's love through teaching and in caring and practical ways.

**Trustees' Annual Report
for the year ended 31 December 2023**

Achievements & Performance (continued)

The Rector issues a monthly letter to every family within the Parish. This letter, together with the Website, social media, provides information to parishioners and others about church life, ministry and mission activity and information about Parish activities and organisations.

We've also developed links and partnerships locally, nationally and internationally. This has included giving £2,500 to the Southern Area Hospice, £1,250 to New Wine Ireland, £5,200 to CMSI – Church Missionary Society Ireland, £1,000 to SAMS -South American Mission Society, £1,250 to Fields of Life, £1,000 to NI Children's Hospice and £1,000 to B Positive.

Financial Review

The Parish's principal source of income is from envelopes and standing orders. During 2023 we received two legacies totalling £45,000.

The Curatage at Bannview Heights was sold in June 2023. The net sale proceeds of £186,000 are invested with RCB.

Reserves, both unrestricted and restricted, continue to be in surplus with an adequate level of net current assets for the continuation of operational activities.

There are no areas of financial concern noted by Select Vestry.

Reserves Policy

The Select Vestry's policy is to retain a level of free reserves or general reserves which matches its needs at the current time and in the foreseeable future. Free reserves are those unrestricted reserves not invested in fixed assets, which are available for general use.

Seapatrick Parish

Trustees' Annual Report for the year ended 31 December 2023

Reserves Policy (continued)

The main reason for holding reserves is to ensure that the charity has enough resources to fund its programmes and to hold sufficient resources to meet its commitments. The Trustees believe that our reserves policy is both responsible and prudent, but have not specified a particular level of reserves to be held.

At 31 December 2023 the Parish held unrestricted funds of £293,546 representing more than 9 months expenditure which is in line with what is regarded as an appropriate level.

The Parish also held £877,991 of restricted funds which have been provided for the purposes specified in Note 16.

Funds held as custodian trustee on behalf of others

There are no funds held as custodian trustee on behalf of others.

Plans for future periods

The Select Vestry intend to:

- carry out significant repairs to the organ in Holy Trinity Church
- carry out necessary repairs and refurbishments to church property.

The Select Vestry continue to support the development of the 'Christians Against Poverty Centre', the 'Baby Basics' project and 'Who Let the Dads Out?' project.

The Select Vestry also continues to support the development of initiatives in the parish and the local community, as we seek to be the Church at the heart of Banbridge and Seapatrick.

Trustees' Annual Report for the year ended 31 December 2023

Statement of Trustees' Responsibilities

The Charities Act (Northern Ireland) 2008 requires charity trustees to ensure that accounting records are kept which are sufficient to show and explain all the charity's transactions, which disclose with reasonable accuracy the financial position of the charity and enable them to prepare statement of accounts which complies with regulation under the Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF SEAPATRICK PARISH

I report on the accounts of the charity for the year ended 31st December 2023 which are set out on pages 10 to 21.

Respective responsibilities of Trustees and Examiner

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the Charities Act (Northern Ireland) 2008.

It is my responsibility to:

- examine the accounts under section 65 of the Charities Act;
- follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act; and
- state whether particular matters have come to my attention.

Basis of Independent Examiner's report

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act.

My examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

My role is to state whether any material matters have come to my attention giving me cause to believe:

1. That accounting records were not kept in accordance with section 63 of the Charities Act
2. That the accounts do not accord with those accounting records
3. That the accounts do not comply with the accounting requirements of the Charities Act
4. That there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of ACCA which is one of the listed bodies.

I have completed my examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, I have found no matters that require drawing to your attention.

Seapatrick Parish

Notes to the financial statements for the year ended 31 December 2023

1. General information

Banbridge/Seapatrick/Holy Trinity and St. Patrick's/Down and Dromore/Church of Ireland (otherwise referred to as "Seapatrick Parish") is a registered charity in Northern Ireland (number NIC101230). It is governed by its constitution as a Parish of the Church of Ireland and its principal place of operations is Church Square, Banbridge, BT32 4AA.

2. Statement of compliance

The financial statements have been prepared in accordance with The Charities (Accounts and Reports) Regulations (Northern Ireland) 2015 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

3. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared on a going concern basis under the historical cost convention and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires Trustees to exercise their judgment in the process of applying the charity's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions or estimates are significant to the financial statements are disclosed in note 4.

The financial statements include all transactions, assets and liabilities for which the Parish is responsible in law. They do not include the accounts of church groups that owe their affiliation to another body, nor those that are informal gatherings of church members.

The presentation currency is £ Sterling.

The Parish meets the definition of a public benefit entity under FRS 102.

Seapatrick Parish

Notes to the financial statements for the year ended 31 December 2023

3. Accounting policies

b) Fund accounting

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Parish.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

c) Going concern

The Trustees have reviewed the charity's financial position and conclude that they have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

d) Income

Where incoming resources have related expenditure (as with fundraising income) the incoming resources and related expenditure are reported gross in the Statement of Financial Activities.

Voluntary Income, Standing Orders, Plate Collections and Weekly Envelopes are accounted for on a cash receipts basis as the amount is receivable.

Income arising from the rental of Parish Halls to third parties is recognised when the parish has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Legacies are included within Income under either unrestricted or restricted funds according to the terms under which the donation is made and when the amount can be quantified with reasonable certainty.

Donations and gifts in kind are brought into the accounts at their fair value to the Parish where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Investment income is included when receivable.

Seapatrick Parish

Notes to the financial statements for the year ended 31 December 2023

3. Accounting policies

e) Expenditure

Expenditure is recognised on an accruals basis once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

The charity contributes to a defined contribution pension scheme on behalf of certain employees. The assets of the scheme are held separately from those of the charity in an independently administered fund and contributions are charged to the Statement of Financial Activities in the period to which they relate.

f) Tangible assets

The assets of the Parish comprise:-

- Church Buildings and Grounds
- Parish Halls
- Rectory
- Curatages
- Glebe land
- Furniture, fittings & equipment (excluding artefacts)

Holy Trinity Church, Banbridge and St Patrick's Church, Seapatrick (including all associated artefacts) are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included on the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the Parish.

Holy Trinity Church Hall is not physically attached to Holy Trinity Church, Banbridge (Heritage asset), but it is situated in the church grounds and is on the same title deed as the church. This hall was originally constructed in 1968 and is now in need of major refurbishment. There are no reliable records for the cost of its construction and any valuation of the hall would lack sufficient reliability as its legal title cannot be separated from that of the church itself. Accordingly, no value has been ascribed to Holy Trinity Church Hall on the balance sheet.

The Rectory, Curatages at Bannview Heights, Banbridge and Larchwood Avenue, Banbridge together with St Patrick's Church Hall, Seapatrick and glebe land are recognised at market valuation being the estimated fair value of the property at 31st December 2020.

Seapatrick Parish

Notes to the financial statements for the year ended 31 December 2023

3. Accounting policies

f) Tangible assets (continued)

The assets of the Parish comprise:-

- Church Buildings and Grounds
- Parish Halls
- Rectory
- Curatages
- Glebe land
- Furniture, fittings & equipment (excluding artefacts)

Holy Trinity Church, Banbridge and St Patrick's Church, Seapatrick (including all associated artefacts) are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included on the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the Parish.

Holy Trinity Church Hall is not physically attached to Holy Trinity Church, Banbridge (Heritage asset), but it is situated in the church grounds and is on the same title deed as the church. This hall was originally constructed in 1968 and is now in need of major refurbishment. There are no reliable records for the cost of its construction and any valuation of the hall would lack sufficient reliability as its legal title cannot be separated from that of the church itself. Accordingly no value has been ascribed to Holy Trinity Church Hall on the balance sheet.

The Rectory, Curatages at Bannview Heights, Banbridge and Larchwood Avenue, Banbridge together with St Patrick's Church Hall, Seapatrick and glebe land are recognised at market valuation being the estimated fair value of the property at 31st December 2018.

No depreciation has been provided on the properties as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Furniture, fittings & equipment are stated at cost less accumulated depreciation and accumulated impairment losses. Depreciation is calculated, using the straight-line method, to allocate the depreciable amount of furniture, fittings & equipment to their residual values over the expected useful economic lives of the assets concerned (i.e. over a three-year period).

g) Tax

As a charity, the Parish benefits from various exemptions afforded by tax legislation. It is therefore not liable to corporation tax on income or gains falling due within those exemptions. Recovery is made of tax deducted from receipts under gift aid.

4. Critical judgments and estimation uncertainty

Critical judgments in applying the charity's accounting policies

As mentioned in note 3(f) above, no value has been ascribed to Holy Trinity Church Hall on the balance sheet as there are no reliable records for the cost of its construction and any valuation of the hall would lack sufficient reliability.

Key accounting estimates and assumptions

There are no key accounting estimates or assumptions in applying the charity's accounting policies.

The Trustees have used valuations provided by a local estate agent to value the properties held by the Parish.

All property, with the exception of a curatage in Larchwood Avenue, Banbridge, are vested in the Representative Church Body. The Trustees of the Parish are responsible for the maintenance and upkeep of these properties.

The figures noted above do not include a valuation of Holy Trinity Church, Banbridge and St Patrick's Church, Seapatrick as these properties and all artefacts contained therein are deemed to be heritage assets, the cost/valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts
