

Glenravel Historical Society

Trustees Annual Report for the Year Ended 30 June 2023

The Trustees present their report and financial statements for Glenravel Historical Society for the year ended 30 June 2023.

Public Benefit Statement

The Trustees of Glenravel Historical Society confirm that they have had due regard for the guidance on Public Benefit by the Charity Commission for Northern Ireland and are pleased to report that during the period the group continued to provide the Public Benefits through the programmes and services we offer. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

Public Benefit

The direct benefit which flows from this purpose is an increased knowledge and understanding by members, students of history at all levels and people generally, of the area's past, people and places.

This benefit is evidenced through feedback from both members and interested parties, at local, national and international levels, using the Society's website. Our benefit reaches people who live abroad and are interested in researching their genealogical origins within the area. Participants have access to information through a recent local history publication "Along The Ravel and Clough Water" and history presentations and trips, with local and general themes.

Achievements and Performance

Activities continue to grow in 2022-23 following the covid lock-down. In November we had a lecture on Montalto by regular contributor, Donnell O'Loan. Our annual Christmas coffee morning raised £294.45 and later in June 2023, we run a tea stand at the 10th Glen Heritage Farm Traditional Skills Day to raise funds - receiving £97.20. Guest speaker, Susan Sauer-Gingras attended our Once upon a Time Dinner and we presented Susan with a slate plaque for her contribution to the evening which was well attended by members.

Glenravel Historical Society is a non-profit making organisation. Total income for the year amounted to £579 being donations and fundraising, memberships and from some events run.

Total expenditure for the year amounted to £25.

The net income for the year amounted to £554 with net assets of £819 at 30 June 2023. The Trustees consider that the Association is in a satisfactory position to carry on its charitable activities.
