- The advancement of environmental protection or improvement.
- The advancement of the arts, culture, heritage and science.
- The advancement of citizenship or community development; and

#### **OBJECTIVES AND ACTIVITIES**

The principal objects of the Trust are as stated in the Memorandum of Association:

To promote for the public benefit the rural regeneration of Bushmills village.

The Trust publishes, and keeps updated, the Village Guide brochure listing, with map references, all activities, places of interest, accommodation, restaurants, bars and shops within 3 miles of the Village. The Guide is replicated in static panels in 5 locations in Bushmills including the Park & Ride to the Giants Causeway, Bushmills Distillery, and the Visitor Information Centre.

The Trust continues to maintain the wall plaques on historic buildings with QR codes so visitors with mobile phones can access a fuller history. Each year the Trust erects the Lamp Post banners celebrating mostly famous people with Ulster Scots origins. Some of the banners are designed by children of the village and many are regularly photographed by visitors.

The Trust originally secured finance to construct most of the 17 flower beds in the village and initially organised planting and maintenance. Causeway Coast & Glens Council now administer most of the planting, but the Trust continues to weed and generally maintain the beds on a voluntary basis.

The function room of the Bushmills Youth Hostel, owned by the Trust, continues to provide a very central meeting point for village activities.

The Trust purchased the former National School, a listed building dating back to 1842 and adjacent to the Visitor Information Centre (VIC). The vision in the Bushmills Village Plan was to develop the school as part of a new landscaped pedestrian link between the Park and Ride Car Park and the village

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 DECEMBER 2024

#### 1. ACCOUNTING POLICIES (*continued*)

##### (c) **Income recognition**

All incoming resources have been included in the financial statements using the accruals basis except for donations, legacies and bequests which are included in the financial statements using the receipts basis.

Income from government and other grants are recognised at fair value when the Trust has entitlement after any performance conditions have been met.

Income from charitable activities includes income earned from fundraising events and trading activities to raise funds for the Trust. Income is received in exchange for supplying goods and services to raise funds and this is recognised when entitlement has occurred.

##### (d) **Expenditure recognition**

All expenditure is accounted for on accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

It is categorised under the following headings:

- Expenditure on charitable activities includes those costs incurred by the Trust in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them; and
- Other expenditure represents those items not falling into the categories above.

All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource.

##### (e) **Debtors and creditors receivable / payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

##### (f) **Tangible Fixed assets**

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Freehold Buildings	-	2.0% Straight Line
Fixtures & Fittings	-	15.0% Reducing Balance
