

Trustees Report

Objectives and Activities

To build on our legacy of making Loughgilly a good and safe place to live for both young and not so young.

This year has been another good year with all the usual activities. We had a good annual Fun Day in September with a large turnout of approximately 100 people.

We hope 2018-2019 will be another good year in which people can use the many activities in our community houses as they did in the past year.

Loughgilly is a caring and friendly community in which everybody can live in safety and peace.

Achievements and Performance

A good year with our Fun Day which was a great success. Our community houses are well used with equipment to cater for most people. Keep Fit room, pool table, darts room, football table, exercise mats and balls all free to use.

Our park is open to everyone and is well used throughout the year.

Financial Review

Another steady year with our weekly lottery draw ensuring we have a steady income to cover costs. No grants or outside financial help this year. A balance of £4571.82 in community account.

4

The following served as charity trustees during the year:

Samuel Lockhart

Dawn Wallace

Norma Chambers

William Baines

Alvin Wallace

Robert McCullough

Edward McKinley

Jon Tait

Elizabeth McKinley

Sadly Norma Chambers passed away during the financial year 2017 – 2018.
